THIS IS My HORSE™

He probably took twice as long as other horses to accomplish each level of training, but it's not just about the sport for me. It's about the journey. I was a little girl when I got Diddy, and he was a baby. We've grown up together. I'll probably never feel this way about another horse. We're so connected. I ride a lot of other horses, and I can't help but compare how they ride to riding Diddy. He's just amazing!

WINNING

doesn't happen by **A C C I D E N T.**

A rub. It's all that separates a flawless round from "better luck next time." But you're not depending on luck. You're depending on countless hours in and out of the saddle. And you didn't come here for just a ribbon. You came for the championship ribbon. So ask yourself, does your horse have the stomach to win?

Time for a gut check. TheStomachToWin.com

When administered for 8 or 28 days, just one dose a day of ULCERGARD is proven to effectively prevent performance-robbing equine stomach ulcers in horses exposed to stressful conditions.

The Scoop on Supplements

An in-depth look to help you understand ingredients

Whether an active competitor or a retired companion, horses at any stage in life can benefit from the support of a supplement. SmartPak is here to take a closer look at four best-selling supplement categories, to help you understand the ingredients that support your horse's health and performance.

INGREDIENTS TO SUPPORT YOUR HORSE'S JOINTS

Every horse's joints are under stress. Your horse's body has a limited ability to repair and rebuild the "wear and tear" to joints that comes with being a horse in its natural state, and research has shown that even wild mustangs can develop joint deterioration. When you add in the increased demands of riding and training, it's easy to see how your horse's joints may be experiencing more damage than his body can keep up with. Luckily, there are ingredients that can help your horse cope with the stress of exercise and maintain healthy joints.

Glucosamine supports the production of new cartilage, which acts as a cushion between joints.

Chondroitin sulfate stimulates the production of hyaluronic acid and inhibits the enzymes that break down cartilage. **Hyaluronic acid** is an integral component of joint fluid and articular cartilage that provides both lubrication and shock absorption. Another ingredient is **MSM**, a bioavailable form of sulfur for building and repairing cartilage, and supporting a normal response to the inflammation associated with exercise and activity. Finally, herbs like **devil's claw**, **yucca**, and **boswellia** fight discomfort in joints and other tissues, along with supporting a normal inflammatory response.

INGREDIENTS TO SUPPORT YOUR HORSE'S HOOVES

Your horse's hooves are his foundation, so keeping them healthy and strong is essential. Along with regular professional maintenance and plenty of

exercise, proper nutrition and healthy circulation play vital roles in hoof health. Daily support from key ingredients is a smart way to help ensure your horse is always ready to step up to the challenge.

Ingredients such as **biotin**, **zinc**, and **copper** support healthy hoof growth and help keep hooves strong. Research has shown that supplementing with 10-30 mg of biotin per day may support growth rate and quality hoof wall in horses with weak hooves. Zinc is involved in keratin formation, the structural protein that gives hooves their hardness. Additional ingredients include **lysine** and **methionine**, important in the formation of hoof structures. Because the hoof wall is dead tissue (like your fingernails) that grows from the top down, you'll see healthy new growth start to come in from the coronary band.

The health of your horse's outer hoof structure starts on the inside, with circulation delivering nutrient-rich blood to nourish tissues. **Arginine**, an essential amino acid in horses, is a key ingredient found in hoof circulation supplements because it supports healthy blood flow. These supplements may also provide herbs like **yucca**, **turmeric**, and **boswellia** to help alleviate the discomfort that horses with poor hoof circulation may experience.

INGREDIENTS TO SUPPORT YOUR HORSE'S STOMACH

Your horse's stomach was designed to continuously produce acid to help break down food. In a natural grazing situation, where a horse is eating and chewing all day, the stomach acid produced is buffered by forage and saliva, keeping it from damaging the sensitive stomach lining. However, the modern horse's diet is often composed of infrequent meals of hay and grain, with most of the day spent with an empty stomach. This can lead to gastric upset, affecting your horse's attitude, performance, and overall health. For that reason, daily support

from several key ingredients is a smart way to help ensure your horse has what he needs to maintain a healthy stomach.

Ingredients such as **Calcium** and **magnesium** help neutralize the gastric acid that your horse's stomach is constantly producing. **Glutamine** and **sea buckthorn** help support the integrity and resilience of stomach lining. **Lecithin** protects gastric tissue by forming a barrier between the contents of your horse's stomach and his sensitive stomach lining. **Glycine** has been shown to help limit excess gastric acid production and protect the stomach lining. Finally, herbs like **aloe vera**, **licorice**, **slippery elm**, and **marshmallow root** may help soothe the stomach lining.

INGREDIENTS TO SUPPORT YOUR HORSE'S HINDGUT

Your horse's hindgut has many important jobs, including digesting his forage, playing a role in immune health, absorbing key nutrients, and more but unfortunately, it's often under stress from common activities like training, traveling, and hay or grain changes. That stress can lead to poor hindgut function, which can seriously impact your horse's performance and overall health. Fortunately, you can help your horse cope with digestive stress is by providing ingredients like these on a daily basis.

Probiotics are microscopic organisms that help break down food in the hindgut and are responsible for the production of energy and some vitamins. **Prebiotics** are sources of non-digestible, soluble fiber that serve as food for probiotics, keeping them healthy so they can assist in the digestive process. Other ingredients include **enzymes**, which break down fats, protein, and starch into smaller particles able to be absorbed, and **yeast**, which supports fiber digestion and assists in adjusting to feed changes.

From joint health to hoof health and everything in between, there are a variety of areas that may benefit from the targeted support of supplement ingredients. When developing the perfect supplement program for your horse, be sure to work with your veterinarian and the rest of your horse's health care team to ensure he's getting everything he needs to look and feel his best.

THIS IS MY HORSE™

He probably took twice as long as other horses to accomplish each level of training, but it's not just about the sport for me. It's about the journey. I was a little girl when I got Diddy, and he was a baby. We've grown up together. I'll probably never feel this way about another horse. We're so connected. I ride a lot of other horses, and I can't help but compare how they ride to riding Diddy. He's just amazing!

2018 Great American Insurance Group/ USDF Regional Championship Program Rules

The Regional Championship program rules published herein are effective for the 2018 Regional Championship year, unless otherwise stated. The program rules and qualifying criteria published herein are subject to additions or revisions.

While every effort has been taken to avoid mistakes in this publication, the United States Dressage Federation Inc. assumes no liability to anyone for errors or omissions. USEF rules supersede all other rules when qualifying for this championship program.

USEF rules are subject to change at any time. Changes and corrections subsequent to this publication are published in the USDF Connection and on the USDF website.

Refer to the United States Equestrian Federation's website for official rule changes and the most up-to-date version of their rulebook.

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and licensed by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year.

The 2018 Regional Championships will be sponsored by the Great American Insurance Group (Great American), as the title sponsor. The official title of the Regional Championships shall be:

GREAT AMERICAN INSURANCE GROUP/ UNITED STATES DRESSAGE FEDERATION
REGION (#) DRESSAGE CHAMPIONSHIPS
licensed by United States Equestrian Federation, Inc.

A Regional Championship is a Level 4 Competition. In each region, USEF/USDF Regional Championship classes must be offered at each level through Grand Prix, in three divisions: open, adult amateur (AA), and junior/young rider (Jr/YR). FEI Junior Team Test and FEI Young Rider Team Test championship classes must also be offered. Freestyles at First, Second, Third, Fourth, Intermediate I, and Grand Prix levels must also be offered in the open division. If freestyle classes are combined, each championship level must be awarded separately.

Dates and locations of the 2017 Regional Championships will be available from USDF after June 1, 2016.

The official prize lists for all of the Championships will be available on the USDF website no later than May 1st.

For the remainder of this document USEF/USDF championship classes will be considered the same as Great American/USDF championship classes.

REGIONAL CHAMPIONSHIP RULES

- Must have a USDF Participating or Business Membership and a USEF membership (Junior Active, Senior Active, Life, or Recorded Farm (with Active Farm Owner)). If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF membership/registration affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

C. QUALIFYING SYSTEM

1. There is currently one qualifying system with nationally-standardized minimum percentages (see Section D for qualifying percentages).
2. Prior to competing in a Great American/USDF qualifying class, a horse/rider combination must be eligible according to the USDF/USEF membership and registration requirements for qualifying.
3. To qualify for a Regional Championship, horse/rider combinations must earn a total of two qualifying scores (each score must be the average of all judges officiating in a designated Great American/USDF qualifying class), at two different USEF/USDF-recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people).
4. To qualify, eligible riders must enter an official Great American/USDF qualifying class at a USEF/USDF-recognized Dressage Competition. The Great American/USDF qualifying class will be the highest or single test of the level and the class must be designated as Great American/USDF qualifying in the prize list.
5. Horse/rider combinations may enter more than one qualifying test, and qualifying Freestyle, at each level per day as Great American/USDF qualifying. (USEF DR 127.4)
6. Eligible competitors must be given the option to enter the class as "USDF qualifying" for a maximum additional fee of \$15 which must be paid to the show secretary prior to riding in the class.

7. USEF/USDF qualifying and/or championship classes must be designated as such in the prize list and the results. (USEF DR127.4). The \$15 qualifying fee will be sent to USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. Once qualifying fees are received by USDF they will not be refunded to competitors for any reason. All regional championship qualifying fees paid to show management must be submitted to the USDF, including fees from riders that scratched, were eliminated, excused or did not show up for the class. Exceptions: Competition Refund policy must clearly state that these fees will be refunded to the competitor; or fees are reapplied to cover indebtedness to the competition not paid by the competitor.
8. Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries.
9. Any and all eligible horse/rider combinations who achieve the minimum qualifying score in a Great American/USDF qualifying class will receive one qualifying score toward their two score requirement to be eligible to enter a Regional Championship if all other conditions are met.
10. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify, earned in designated Great American/USDF qualifying classes, at two different USEF/USDF-recognized Dressage Competitions from two different judges or combinations of judges as described in Section C.3.
11. FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF High Performance qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the qualifying class fee to the competition secretary.
12. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
13. There is no limit on the number of horses on which a rider may qualify.
14. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, she/he must requalify. (USEF DR127.9)
15. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. (USEF DR120.7) An adjustable-length whip may not be carried by a mounted rider.
16. Tests may be read in qualifying classes except in FEI level classes and freestyle classes.
17. Qualifying seasons vary for each region. The season during which scores may be earned to qualify for a particular Regional Championship starts the day after the closing date of that region's 2017 championship, and ends on the closing date of that region's 2018 championship. Horse/rider combinations may earn qualifying scores in another region but only at shows within the current qualifying year of the region in which that show is held.
18. The closing date of each Regional Championship will be the fourth Monday prior to the start of the Regional Championship competition. Competitions will count for only one calendar year's championship. The qualifying year of each competition is based upon the location of where that show is held, not the region the rider wishes to compete in.

USDF WILL MAINTAIN A DATABASE OF QUALIFIED HORSE/RIDER COMBINATIONS AND WILL POST A PROVISIONAL LIST FOR EACH LEVEL AND DIVISION ON THE USDF WEBSITE. USDF WILL VERIFY ELIGIBILITY OF CHAMPIONSHIP CLASS ENTRIES WITH THE CHAMPIONSHIP'S SECRETARY PRIOR TO EACH CHAMPIONSHIP'S COMPETITION. POST ENTRIES MAY BE SUBMITTED BY QUALIFIED HORSE/RIDER COMBINATIONS IN CHAMPIONSHIP CLASSES IF POST ENTRIES FOR CHAMPIONSHIP CLASSES ARE ALLOWED IN THE PRIZE LIST OF THE COMPETITION.

D. MINIMUM QUALIFYING SCORES

One set of nationally-standardized qualifying scores has been established for all USEF/USDF Regional Championships, for levels through Grand Prix, in three divisions: open, adult amateur and junior/young rider. FEI Junior and FEI Young Rider classes have only one respective division. Freestyles have only open divisions.

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics.
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Photocopies of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.).
7. **Under penalty of elimination**, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. **Under penalty of elimination**, all championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" must be closed for every USEF/USDF championship ride. (USEF DR126.1.f.5)
10. **Under penalty of disqualification** from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eighth places will remain unbroken. In the case of a tie (equality of total points and

collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.

12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See Section H.3. c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
17. USEF/USDF championships classes may not be split. (USEF DR126.1a.4)
18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.
20. Ribbons and prizes cannot be distributed prior to the arrival at the awards ceremony.

F. ADDITIONAL RULES AND REQUIREMENTS

1. Competition managers of USEF Dressage Competitions which hold USEF/USDF qualifying and/or championship classes are responsible to USEF for knowing and complying with all USEF rules and USDF guidelines regarding qualifying and/or championship classes. Please refer to USEF Dressage Level requirements. (USEF DR127.3)
2. A host GMO officer or CEO of competition licensee, and the competition manager must sign an agreement with USDF which includes the organizer's agreement to abide by USEF and USDF rules and regulations, and releases USDF from liability, financial or otherwise, during or in connection with the event.
3. Once an application to hold a USEF/USDF regional dressage championship has been submitted, no changes to date, facility, organizer, manager or secretary may be made without prior notification and written consent of both USDF and the regional director. In addition, USDF and regional director reserve the right to select an alternate host site and management if the facility, organizer, manager, or secretary named in the original host site application is changed without written permission from USDF and the regional director.
4. Mounted awards ceremonies must be scheduled for each championship class.
5. A tentative schedule for the awards ceremonies must be printed in the "Show Program".
6. The confirmed schedule for the awards ceremonies must be posted in the show secretary's office by noon on the day prior to the beginning of the competition. If the posted awards schedule is changed, all affected competitors must be notified.
7. Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies. Failure, without prior permission of the competition manager (see F.9) to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. For safety reasons competitors may decline to participate in the victory round. Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.
8. Specific requirements and penalties for failure to participate in prize-giving ceremonies must be announced in the prize list. It is recommended that saddlery for ceremonies be the same as in the competition, but that black or white

REGIONAL CHAMPIONSHIP RULES

leg bandages are allowed. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants. (USEF DR123.12)

9. Except in the case of an emergency requests to be excused from the awards ceremony must occur one hour before the scheduled ceremony. The requests must be made to the Awards Coordinator who must confer with the USDF Representative, the Competition Manager, and the Technical Delegate in the decision-making process.
10. Date applications may not use the name or title of a championship that has not been assigned to that licensed competition for the competition year named in the application. The fees are waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name. Using the name or title of a championship that has not been assigned to that licensed competition during the same competition year is a violation of USEF rules. (GR706.1.p)
11. Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available to the TD in the competition office. (USEF DR127.2)
12. Management must post the USDF Statement on Animal Welfare on the competition grounds.
13. USDF Dressage Seat Medal Semi-Finals: All junior riders through age 18 who have qualified at any level for the Regional Championships (excluding freestyle) are automatically eligible to compete in the Semi-Final classes of the USEF/ USDF Dressage Seat Medal Program. Additionally, any rider that earns a score of 70% or higher, from an eligible Dressage Seat Equitation class, during the DSM qualifying period from August 1, 2016 through July 30, 2017 will be qualified to participate in the USDF Dressage Seat Medal Semi-Finals. One Semi-Final class will be offered for juniors, ages 13 and under, and a second Semi-Final class for riders 14 through 18 at each Great American/USDF Regional Championship. A regional champion and reserve champion for each age group will be named in each USDF region. For more details on this program and the Semi-Finals, see the USEF Rulebook, DR133 or visit the dressage page of the USEF website.
14. **USDF Regional Adult Amateur Equitation Program: All adult amateurs who have qualified at any level for the Regional Championships (excluding freestyle) are automatically eligible to compete in the USDF Adult Amateur Equitation Regional Finals class. Additionally, any adult amateur ride that earns a score of 70% or high from an eligible Dressage Seat Equitation class, during the applicable regional championship qualifying period, will be qualified to participate in the USDF Adult Amateur Equitation Regional Final.**

G. FACILITIES

1. Please refer to USEF GR1216 and USEF Dressage Level Requirements for facility requirements.

H. PERSONNEL

1. Management must provide a sufficient number of trained and experienced personnel to manage the event.
2. Level 4 requires that a veterinarian and farrier be present on the grounds during competition. In the year after a competition has hosted a USEF/USDF Regional Championship, a veterinarian will be required to be present only if 200 or more horses competed the year prior to hosting the championships. (USEF GR1211.4) The official veterinarian shall be a licensed graduate of an accredited veterinary school in good standing in his/her state of practice, be familiar with the current USEF Equine Drugs and Medications Rules and have experience in equine veterinary practice. (USEF GR1204.1)
3. Management must contract a sufficient number of officials and pay all their expenses, as agreed upon in their contracts.
 - a. Two judges (at least one of whom must be an "S" or FEI dressage judge) must officiate in each championship class at Second Level and above. It is recommended that three judges officiate in FEI level championship classes. For Training and First level, two "R" judges may be used provided at least one of those judges resides outside the region.
 - b. Fifty percent of judges hired to officiate in Regional Championship classes must have permanent residence outside the region.
 - c. "R" Dressage TD(s) hired to officiate Regional Championship classes must be selected from outside the region and must be a USDF PM. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. 2. On behalf of Great American Insurance Group, USDF will provide:
 - a. Grant money to each championship. Grant money will be paid to the organizer of a Regional Championship. One-third of the grant money will be paid before the competition. The remaining two-thirds will be paid post-competition, once all results have been submitted, banners and other materials have been returned, and all provisions of the contract have been met.

 - c. USEF/USDF championship ribbons for each level and each division to eighth place.
3. USDF will send a representative to each championship. The USDF representative can and should advise management on Regional Championship requirements and report on infractions. However, enforcement of championship requirements is solely within the role and obligations of competition management. The USDF representative will also be available to provide information about USDF and its programs and policies.
4. USDF will publish complete results for each championship in USDF Connection and on the website.

2. Prize Money for the nine Great American/USDF Regional Championships will be paid directly by the USDF office to the recorded horse owner within 30 days of the last day of each championship. US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Placing in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Placing in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible placing in a Regional Championship class.

Note: Since Freestyle classes at Regional Championships are not split by division, the top two Open horse/rider combinations and the top two Adult Amateur horse/rider combinations for each level from each of the nine Regional Championships will be automatically invited. In addition, to be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form, and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Declaration Requirement:** The horse/rider combination must declare their intention to participate **by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes)**. There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.
- 3) **Placing in a Regional Championship Class:** Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's placing in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as their Declaration of Intent has been **received** by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest placing in the class will be invited, providing they:

HOW TO QUALIFY

1. Achieved the pre-requisite score of 57% or higher.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Are a US citizen.

If that combination declines the invitation, the same process will be followed down through the fifth placing horse/rider combination *that has declared* for that Finals level and division.

No invitations will be issued beyond the fifth placing declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship placing (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the **same** level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

	<u>OPEN:</u>	<u>AA:</u>
Training:	72%	68%
First:	72%	68%
Second:	68%	65%
Third:	68%	65%
Fourth:	68%	65%
Prix St. Georges:	68%	65%
Intermediate I:	66%	64%
Intermediate II:	66%	64%
Grand Prix:	66%	64%
All Freestyles	66%	66%

III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the first and second placed declared combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to 3rd-5th of those horse/rider combinations who have declared, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is **required** for participation in US Dressage Finals classes, **whether qualifying through placing in a Regional Championship class or by Wild Card Eligibility**. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals **must be received** by the closing date, October 26, 2017, midnight Eastern Time. **Stabling in heated Alltech barns will be allotted by region based on the number of entries received from each region at Closing Date. Assignments for each region's allotment will be based on the date completed entries are received from those requesting Alltech stabling, and completed entries must be received within five days, and no later than five days, after their nomination deadline in order to maintain priority.**
