## ROLEX AND EQUESTRIANISM

The world of Rolex is filled with stories of perpetual excellence. For Rolex and equestrianism, the partnership began in 1957. Over the years, the relationship has deepened, supporting the world's top riders at the most prestigious events, and creating exceptional new challenges in show jumping, eventing and dressage. As the sport moves forward, Rolex's passion for precision and perfection will continue to raise the standards of achievement for the next generation of riders. This is a story of perpetual excellence, the story of Rolex.

An FEI Prize List will be released under separate cover once all of the draft schedules have been approved by FEI. You will be able to find individual schedules once they are approved at [www.fei.org](http://www.fei.org).

## FEI RULES

### • IMPORTANT INFORMATION •

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2020, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw (with Federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their Federation) by 4:00 pm Sunday the week prior to the competition to avoid paying the \$675 “no-show” fee as stated in the approved FEI schedule.
  - We ask that you ONLY declare the number of horses that are allowed in FEI each week; ie., please don’t have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
  - The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until one hour prior to the jog / horse inspection. After that time there will be NO SUBSTITUTIONS.
  - Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4 p.m. the day before the class is held, unless otherwise specified.
  - Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question.
  - Responsible party MUST notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
  - Horses must be checked in to FEI secure stabling area between 10 am - 11 am Tuesday for Veterinary/Passport pre-check before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)
  - \*\* Note there is a webcam and clock posted at the security gate for management and jury to insure compliance.\*\*
  - FEI Horse Inspection will take place at Tuesday 12:00 pm of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary)
  - Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
  - Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.
- Other FEI Important Information:
- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
  - FEI Photos are taken in Exhibitor Services
  - Credentials are signed out from the FEI Office in the FEI Compound
  - Five passes will be issued per horse

## Horse & Rider Protections

**Competitors at any ESP Event are automatically enrolled in the Show+ program which provides the following protections should something happen that interferes with one's ability to compete.**

### Equine

#### Equine Loss Protection

If your horse is registered to compete, you are eligible for reimbursements should your horse suffer from accident, injury or illness that results in its sudden death or requires its humane euthanasia. Any mortality payment would be a fixed, capped amount and is meant to supplement, but not exceed, any established value that may exist under your own equine mortality insurance policy.

#### Urgent Equine Veterinarian Care, Colic, & Surgical

If your horse is registered to compete and suffers from an illness, disease or injury that first manifests itself during one of ESP's events, we will help cover any urgent veterinarian costs, as well as ambulatory transportation to a nearby equine

hospital or clinic, in order to stabilize the horse. This includes covering a portion of diagnostic testing, medical treatment, and surgical procedures. Excludes pre-existing conditions, elective or routine maintenance procedures.

#### Medically Necessitated Scratch

If you've paid various class and entry fees, we will credit your account for all of those costs should you be required to scratch your horse due to illness, injury, disease or death. A veterinarian certificate will be required. Scratches not mandated due to the health problems of the horse are not eligible for credit.

#### Rider

Should you suffer any injury or fatality while riding a horse that is registered to compete, you (or your estate) will be eligible for reimbursement of up to \$1,000,000 to help defray your medical costs, including ambulatory transportation. As a rider, you will also be eligible to receive a credit to your account for any class and entry fees you've already paid and you're forced to scratch due to such illness or injury. A doctor's certification will be required. Excludes pre-existing conditions, elective or routine health procedures.

Subject to additional terms and conditions. Please contact the ESP office for more details.

Restylane® and Restylane-L® are also intended for lip enhancement. Restylane® Lyft with Lidocaine is also intended for injection in the dorsal hand to correct volume loss. Treatments in other areas of the face or body have not been evaluated in clinical studies.
- The safety and effectiveness of Restylane® Silk for areas other than the lips and perioral area have not been evaluated in clinical studies.

- Tell your doctor if you have any history of scarring, particularly thick and stiff scars, or any pigmentation (skin color disorders). These side effects can occur with hyaluronic acid fillers in general.
- Tell your doctor if you are planning other laser treatments or a chemical peel, as there is a possible risk of inflammation at the treatment site if these procedures are performed after treatment
- Patients who experience skin injury near the site of injection with these products may be at a higher risk for side effects
- Tell your doctor if you are on any medications to decrease your body's immune response (immunosuppressive therapy). Using these medications may increase your risk of bruising or bleeding at the gel injection site.
- Tell your doctor if you are using any "blood thinners" such as aspirin, warfarin, or any other medications that affect bleeding. Using these medications may increase your risk of bruising or bleeding at the gel injection site.
- The use of these products on gel injection sites with skin sores, pimples, rashes, hives, cysts, or infections should be postponed until healing is complete. Use of product in these areas could delay healing or make your skin problems worse.
- Tell your doctor if you have diseases, injuries, or disabilities of the hand.

#### What are the possible side effects?

The most commonly observed side effects are swelling, redness, pain, bruising, headache, tenderness, lump formation, itching at the injection site, and impaired hand function. These are typically mild in severity and typically resolve in less than 7 days in nasolabial folds and less than 14 days in lips. Serious but rare side effects include delayed onset infections, recurrence of herpetic eruptions, and superficial necrosis at the injection site.

One of the risks with using this product is unintentional injection into a blood vessel. The chances of this happening are very small, but if it does happen, the complications can be serious, and may be permanent. These complications, which have been reported for facial injections, can include vision abnormalities, blindness, stroke, temporary scabs, or permanent scarring of the skin.

As with all skin injection procedures, there is a risk of infection.

To report a side effect with any of the Restylane® products, please call Galderma Laboratories, LP at 1-855-425-8722.

The Restylane® family of products is available only through a licensed practitioner. Complete Instructions for Use are available at [www.RestylaneUSA.com](http://www.RestylaneUSA.com).

# STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013.

WE WILL NOW ADHERE TO GR845 IN WHICH:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds.

The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

You will need to present coggins and Flu/Rhino vaccine information before you can pick up back numbers.

## \$75,000 BATTLE OF THE SEXES EXHIBITION

Saturday Evening, January 11, 2020

SPONSORED BY WELLINGTON REGIONAL MEDICAL CENTER

The Battle of Sexes is an exhibition competition between a team of 10 female riders and a team of 10 male riders competing at the 2020 WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows

### Phase I Table C FEI art 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 10 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 10.

### Phase II GCC Relay Format

The teams are made up of three riders. Each team will have three teams. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20 . It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knockdown. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 15.

### GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off. The decision of the ground jury is final.

### Phase III Match Race FEI art 272

This competition involves a head to head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C art 239 with 3 seconds added per knockdown. All 10 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 30.

Draw: Each team will choose its own Captain. The Captains list their 5 riders for Phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 10. The five riders not involved with phase I will go at the top of the order in phase II. The leading team will go first in the Table C. After that the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head to head in one final heat. The riders will wear team jerseys provided by management.

### PRIZE FUND:

\$50,000 Winning team, \$25,000 Reserve team

**CLASS 907****\$15,000 USHJA 2\* INTERNATIONAL HUNTER DERBY**

PRESENTED BY CCTV AGENT

ENTRY FEE: \$450

**JOG FORMAT**

All horses entered in the International Hunter Derby class must jog for soundness during the Official Jog prior to the start of the first round in order to compete. The Official Jog must be held within 12 hours of the start of the first round. This jog will be run in a manner similar to an FEI jog.

**STABLING/SCHOOLING**

A. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.

B. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.

C. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

**STANDARD HUNT AND GO FORMAT**

A. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

B. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement,

jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

C. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tie breaker.

D. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

E. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

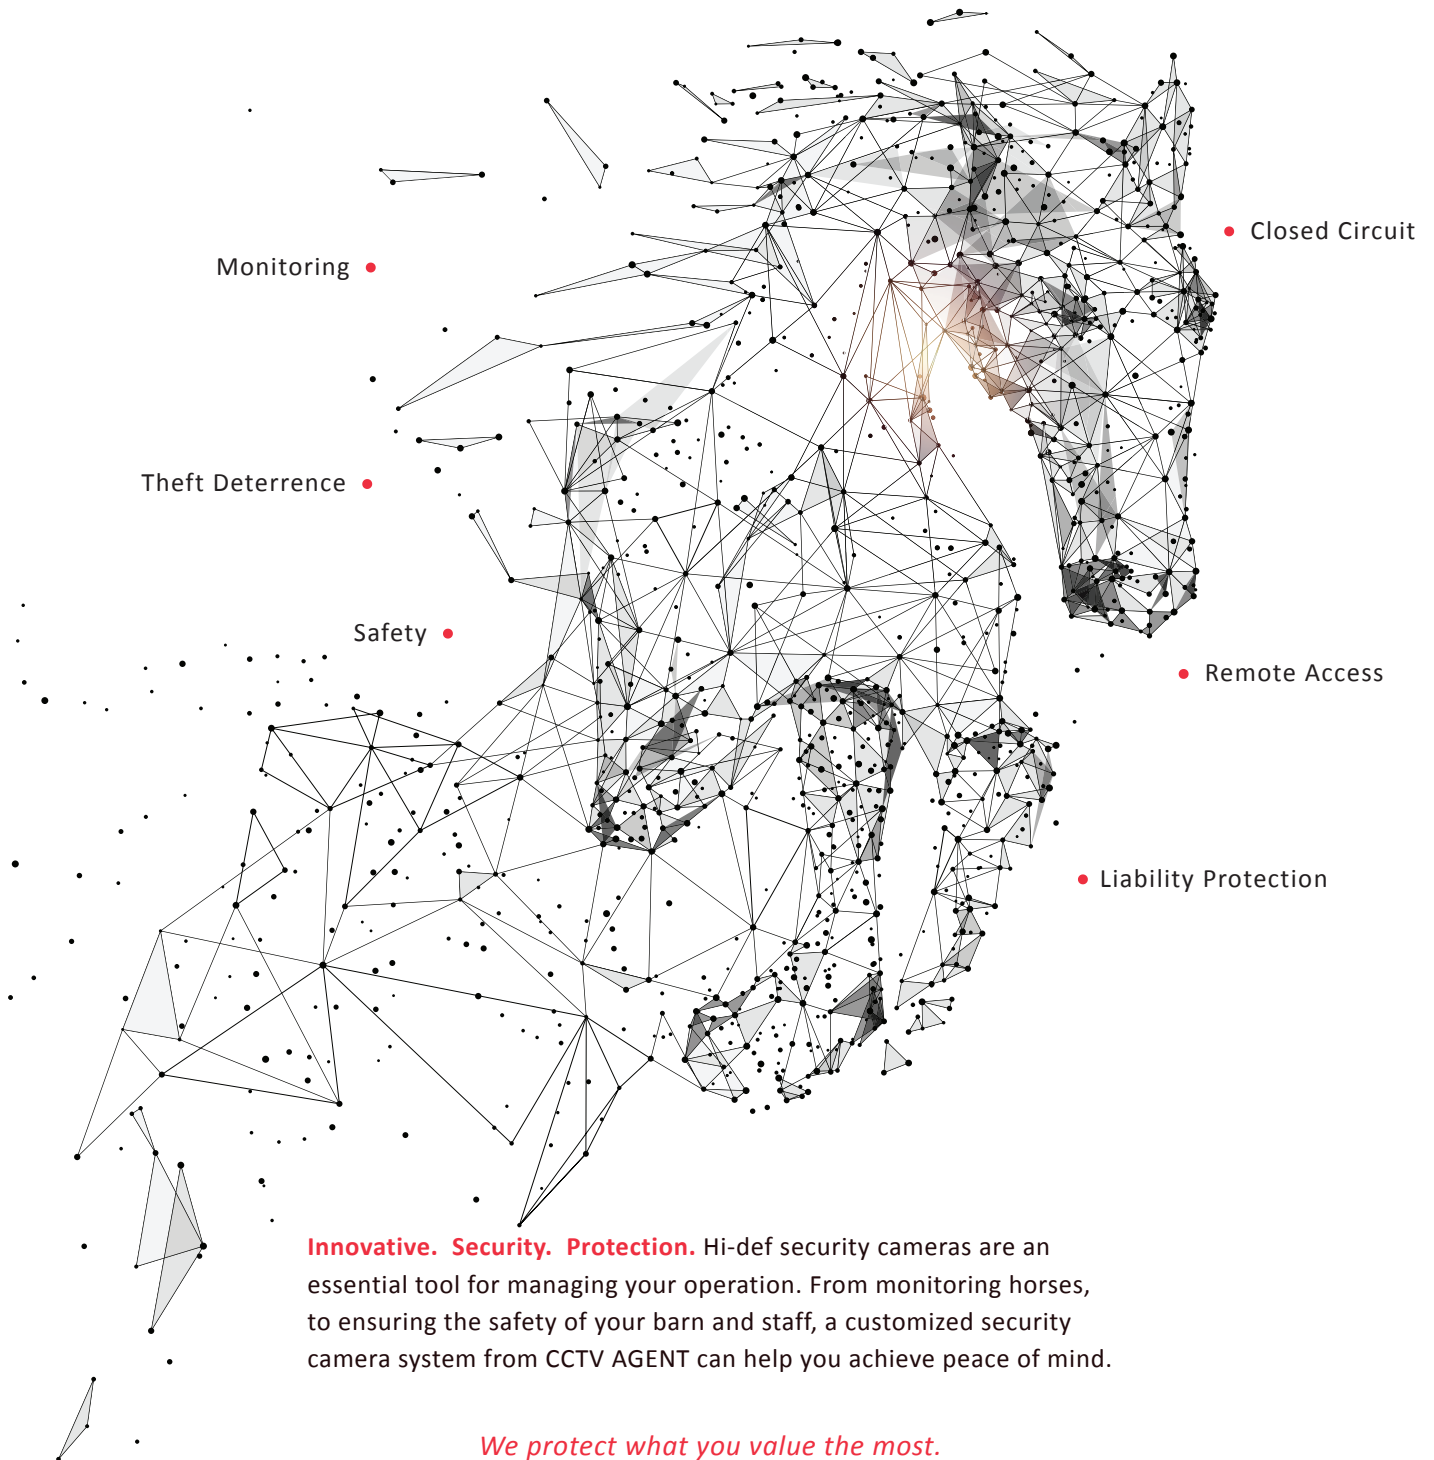

You may log on to [www.ushja.org](http://www.ushja.org) for more information regarding this class.

# THE 11<sup>TH</sup> ANNUAL GREAT CHARITY CHALLENGE EXHIBITION CLASS

PRESENTED BY FIDELITY INVESTMENTS®

The teams are made up of 1 professional/ Grand Prix rider, 2 Junior/Amateur riders (The team can have 2 Amateurs, or 2 Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider one's horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

**COSTUME GUIDELINES:** Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team spirit and fun, but safety needs to be paramount.

All costume judging to take place during the event pre-party, from 5 to 6 PM in Special Events.

## **RIDERS ARE NOT TO START DURING THE INITIAL 45 SECOND MUSIC SET**

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the 15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

## **CLASS SCORING CLARIFICATIONS:**

2 seconds added for each rail.

4 seconds added total for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence #7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

20 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

**Holding Area Safety-** For the past several years there has been too many people on the ground around the horses prior to the teams going in the ring. In the interest of safety, with the exception of a single team captain and 1 groom per horse we will be requiring everyone else to remain behind the barrier fences. This is for both before the round and after the round. The teams will be responsible for any of these violations and can be assessed a one second penalty by Management or officials for any violation. This is in the interest of everyone's safety so please make sure all of your ground support are aware of these rules.

The decision of the ground jury and/or management is final.

# WORLD CHAMPIONSHIP HUNTER RIDER SPECTACULAR CLASSICS

February 11-16, 2020

The Hunter Classics listed in this section will only be held during the WCHR Spectacular week. The long-standing tradition of the WCHR Program to self-fund events continues, as each horse competing in any WCHR Professional, Junior, or Amateur Owner Hunter Section, 3'6" or higher, will pay a \$100 nomination fee per section. One hundred percent of the nomination fees, in addition to a contribution from the USHJA WCHR Program, will create the purse for 1st through 12th place in the USHJA WCHR Hunter Spectacular of Palm Beach.

**Leading Hunter Rider Award:** A plaque will be awarded to the rider who achieves the single highest numerical score in any one class within any WCHR hunter section during WCHR Spectacular week.\*

**High Score Awards:** A jacket will be awarded to the riders who achieve the single highest numerical score in any one class, within their respective hunter section, in each of the nine WCHR

categories: Professional, Developing Professional, Amateur Owner 3'6", Amateur Owner 3'3", Adult Amateur, Junior 3'6", Junior 3'3", Children's and Pony. \*

\* Should a tie occur between two or more riders for high score within a category or for the Leading Hunter Rider, duplicate awards will be mailed. Riders must be 2020 WCHR members to be eligible for a high score award and are only eligible for an award in their declared category.

The courses for all classics will consist of a minimum of ten obstacles of at least six different types.

A horse must be ridden by the same rider throughout the entire hunter section (exception: under saddle classes) to be eligible to compete in the 2020 WCHR Hunter Spectacular of Palm Beach. Qualifying to compete in the WCHR Hunter Spectacular is based on the horse-and-rider combination; no horse or rider substitutions allowed.

Those riders who pre-qualify for the WCHR Hunter Spectacular through a bye (see #1-5 above) must utilize that bye through entering a horse of their choice (see rules in #1-5 above) and then may qualify one additional horse out of the eligible hunter sections. When a rider with one bye qualifies two horses out of the eligible hunter sections the horse with fewer points in their hunter section must be used for the bye. In the case that a rider pre-qualifies with two byes he must utilize both of those byes. In the event that a rider has two byes, he may not qualify any additional horse out of the eligible hunter sections.

# 199 \$100,000 WCHR PETER WETHERILL PALM BEACH HUNTER SPECTACULAR

## CONTINUED

When qualifying from more than one section, the qualifying horse-and-rider combination will compete in the Spectacular from the section from which they have the highest number of points on the championship chart. In the case of an equal amount of points in more than one (1) section, the horse-and-rider combination will compete in the Spectacular from the section from which they first qualified.

The Spectacular will count for HOTY points and money won (where applicable) in the section from which the horse qualified or in the case of a bye, in the section declared at the time of entry, for which the horse must be eligible and that corresponds to the height jumped in the Spectacular. The two-round stand-alone Hunter Classic point scale will be utilized when awarding National HOTY bonus points. See HU173.9(b).

In the case of a bye, HOTY points and money won will only be awarded towards a declared Hunter section for HOTY points if the horse competes in the declared section a minimum of five (5) times during the competition year.

In fairness to all potential entrants, declarations from Professionals to show in the WCHR Hunter Spectacular, whether utilizing a bye or qualifying from one of the following hunter sections: Green 3'6", Green 3'9", Green Conformation, Regular Conformation, Performance Working Hunter 3'6" and High Performance Working Hunter, Young Hunter 3'6" must be made with USHJA staff at the USHJA/WCHR tent and in the Horse Show office by noon on Friday February 14, 2020. Declarations from Juniors and Amateurs must be made within 1 hour of the conclusion of each rider's last eligible section. (i.e., Juniors after the final Junior Hunter Section and Amateurs after the final Amateur Owner Hunter Section) This will allow WCHR to extend timely invitations to the next eligible rider should someone decline to participate.

This class will be conducted under USEF General Rules and drug testing procedures. Horse-and-rider combinations will compete at the respective height of the section from which they qualified or in the case of invitees, at any one respective height for which they are eligible.

This is a two round classic. The first round is scored as a classic hunter round. The second round includes elements that allow the horse and rider to demonstrate brilliance, rideability and handiness. No trot fences will be permitted. Both of rounds will be judged by a minimum of three judging panels consisting of two judges each. The open numerical scoring system will be utilized with each panel's score announced and then averaged to determine a final average numerical score for each horse. The top twelve (12) horses will be

called back for a second round from low to high score within their respective heights. The height section including the horse with the highest first round average score shall return last. Each round of the Spectacular is to count 50%. The final average score from Round One will be added to the final average score from Round Two to determine the overall total final score.

In case of a tie in either the first or second round: Panel One's score is the tie-breaker. In case of a tie in the overall standings: Panel One's second round score is the tie-breaker.

There will be one course walk, for both rounds, before the start of the first round. There will be no further course walks. All horses entered in the class must jog for soundness before the start of the class to be eligible to compete. The designated jog area, time and order will be determined by management and conducted prior to the course walk. Once the Jog order is posted, no further substitutions may be made. All horses must be presented at the Official Jog with their actual competition number and wearing a conventional hunter bridle and noseband. Proper attire is required (riding clothes or proper attire than an exhibitor would wear to compete in a model class.) The jog will be officiated by a minimum of one large R license judge and one large R licensed steward. Show management may reserve the right to deviate from the appointed jog time if deemed necessary.

An Officials Meeting will be held prior to the Riders Meeting. Judges, Course Designer, Steward, and Competition Manager are required to meet prior to the start of the class to review the specifications and judging system.

A Riders Meeting will be held prior to the start of the class to answer any questions regarding the course and class specifications. The meeting will be conducted by a USHJA / WCHR Representative assisted by management, a large R licensed Steward, one officiating Judge and the Course Designer.

Formal attire is required.

Winner receives: Cooler, Dark Continent Perpetual Trophy, and Let's Dance Perpetual Trophy 1st-12th place – 30%, 22%, 13%, 8%, 6%, 5%, 4%, 3%, 3%, 2%, 2%, 2% and ribbons

The Mark Gregory Perpetual Trophy shall be awarded to the best conditioned horse in the first round of the WCHR Hunter Spectacular.

The Charlie Weaver Perpetual Award shall be awarded to the highest scoring conformation horse of the first round of the WCHR Hunter Spectacular.

**950 \$15,000 USHJA INTERNATIONAL HUNTER DERBY HUNT & GO FORMAT**

**STANDARD HUNT AND GO FORMAT**

a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tie breaker.

d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

e. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

f. It is recommended for all formats (including Hunt and Go) that Panel 1 breaks the ties for the Classic round/phase, Panel 2 breaks the tie for the Handy round/phase and Panel 1 breaks ties in the overall.

## GREEN PONY HUNTER

A green pony is a pony of any age not exceeding 14.2 hands that has not been shown over fences the regulation height or higher for its respective section (2'3" for small, 2'6" for medium and 2'9" for large) prior to December 1st of the current competition year at a Regular Competition of USEF or Equine Canada or any national or international competition. Showing in Canada over fences at or higher than the regulation height for the pony's section under Equine Canada rules breaks the pony's green status for the purpose of this Article and Federation rules whether or not the regulation height for the pony's section under Equine Canada rules is less than, equal to, or greater than the regulation height for the pony's section under Federation rules. Ponies who have not broken their Green Status must jump less than their regulation height in open classes or their Green Status will be broken. Once a pony has broken its green status in one Hunter Pony section (i.e., small, medium, large) it will not regain its green status by moving into another Hunter Pony section. If a competition starts prior to or on November 30, Green Pony status at the start of the competition is maintained throughout the competition. A pony's green status is considered to be broken once it competes over fences the regulation height or higher for its respective section (see above). The pony's green status may be reinstated for a future competition year if it was not shown at more than four (4) competitions prior to September 1st. (HU138.7) In classes over fences, ponies not exceeding 12.2 hands to jump 2'3", ponies over 12.2 hands but not exceeding 13.2 hand to jump 2'6", and ponies over 13.2 hands but not exceeding 14.2 hand to jump 2'9". In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

## **SAMPLING FOR PROHIBITED SUBSTANCES**

(Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3\*/4\*, CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas

at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016).

## **HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES**

# Show+™

## Showing At WEF This Year... Show+™ has you covered

It's no news to equestrian athletes that accidents are bound to happen at some point in their careers both in and out of the saddle. Whether it is a rider injury due to a fall or a horse must be scratched from classes due to an illness or injury, wouldn't it be reassuring to know there are protections in place to lower the financial risks of competing in the sport you love?

New this year, competitors for the 2020 Winter Equestrian Festival and the 2020 Adequan® Global Dressage Festival are going to have the option to be more protected than ever due to the launch of a revolutionary new program called Show+™. Show+™ was developed and is licensed by CaptiveOne Advisors®. CaptiveOne Advisors® feels strongly about protecting the passions of its clientele. Show+™ does just that. Equestrian Sport Productions intends to implement the program for the first time in 2020.

If your horse is registered to compete in classes at any 2020 WEF or 2020 Global Dressage show, you are eligible for reimbursements should your horse suffer from accident, injury or illness that requires urgent medical care and/or which results in its sudden death or humane euthanasia. Your horse is automatically enrolled in Show+™ when you register to compete each week and your show/entry fees are paid, but you can revoke such enrollment before your horse competes in its first class of any given show. Entries where enrollment in Show+™ has not been revoked are considered "Covered Animals." Likewise, should a person suffer any injury or fatality while riding a Covered Animal, you (or your estate) will be eligible for reimbursement to help defray your medical costs, including ambulatory transportation. As a rider, you will also be eligible to receive a credit to your account for any class and entry fees you've already paid and you're forced to scratch due to such illness or injury. Conditions and caps apply; and a verified incident report would be required to be completed. Horses must be between the ages of 3 years and 20 years. Coverage is managed per horse/per show.

# What does Show+™ Cover

## Equine Protections

**How it Works:** If your horse is registered to compete in classes at any 2020 WEF or 2020 GDF show, you are eligible for reimbursements should your horse suffer from accident, injury or illness that requires urgent medical care and/or which results in its sudden death or humane euthanasia. Your horse is automatically enrolled in Show+™ when you register to compete each week and your show/entry fees are paid, but you can revoke such enrollment before your horse competes in its first class of any given show. Entries where enrollment in Show+™ has not been revoked are considered “Covered Animals.” Upon receipt of a verified incident report involving a Covered Animal, the company will pay reasonable and customary veterinarian fees for covered surgical procedures, medical treatment or diagnostic testing provided to your horse due to an accident, injury, lameness condition, or illness. Conditions and caps apply. Eligible horses must be between the ages of 3 years and 20 years. Coverage is managed per horse/per show. A verified incident report must be filed with the Show Office if reimbursement is sought under Show+™.

### A. Equine Mortality

Any mortality payment would be a fixed, capped amount and is meant to supplement, but not exceed, any established value that may exist under your own equine mortality insurance policy.

**Does Cover:** • Fatal/catastrophic injury • Sudden death • Humane destruction

**Does Not Cover:** • Post-mortem exams/necropsy (mortality claims will require this for pay-outs).

### B. Injuries and Illness

Urgent medical costs are capped, at which point the Covered Animal’s connections would be solely responsible

**Does Cover:** • Colic surgery • Fractures • Bone chip removal • Emergency transport Fees • Laceration Repair • Pneumonia • Shipping fever • Colic/ Hospitalization • Lameness • Laminitis • Soft tissue injury • Farm Call Charges • Radiographs • Bone Scans • MRI & CT • Bloodwork • Scintigraphy

**Does Not Cover:** • Routine/ Maintenance Costs • Joint Injections • Vaccines/ Annual Exam • Post-mortem exams/ necropsy • Dental Floating • Homeopathic/ Alternative Medicine • Acupuncture • Chiropractic work and Massage Therapy • Experimental procedures • Therapeutic Lasers • Magnetic Therapies • Shock wave • Elective Surgeries • Castration • Respiratory Surgery • Cosmetic Surgery • Disease Outbreak

### C. Medically Necessitated Scratch

If you’ve paid various class and entry fees, we will credit your account for all of class costs associated with same day and future-day scratches should you be required to scratch your horse due to illness, injury, or death. We will not cover nomination fees or stall fees that were required for entry. A veterinarian certificate will be required. Scratches not mandated due to the health problems of the horse are not eligible for credit. A veterinarian certificate from the Horse Show’s Official Veterinarian will be necessary for all same-day scratches. FEI scratches may only get a portion of their fees refunded by ESP.

## Rider Protections:

**How it works:** Should you suffer any injury or fatality while riding a Covered Animal, you (or your estate) will be eligible for reimbursement to help defray your medical costs, including ambulatory transportation. As a rider, you will also be eligible to receive a credit to your account for any class and entry fees you’ve already paid and you’re forced to scratch due to such illness or injury. A doctor’s certification will be required. Excludes pre-existing conditions, elective or routine health procedures. Conditions and caps apply.

\*\*This page is for informational use only to help you understand this new program. ESP reserves the right to cancel the Show+™ program. Forms are available in the WEF and GDF show offices. Payment in full of all show and office fees must be made before a claim could be valid. Entries who’ve revoked enrollment in Show+™ will be tracked each week based on back numbers. Equestrian Sports Productions is not liable for any claim amount paid or not paid.

The undersigned is responsible for any and all entries itemized below when picking up the Officially Issued Back Numbers for each series from the WEF or GDF show offices. All authorized representatives must have a current signature on file. Inquiries about Show+™ or the entry process can be made to the persons identified on-line or in the show office.

**Enrollment is made on a weekly basis once classes are entered and expires at midnight after the Covered Animal’s last class of that week. The rider protections begin on a weekly basis once classes are entered AND expire after the Covered Horse’s last class of that week and/or the Covered Horse is scratched for that week for any reason.**

**Any unauthorized reproductions of this form are void and not binding upon Equestrian Sport Productions, LLC.**

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN.
