\$5,000 stake class is \$350 (Ten entries required for payout)

Jumper height sections will run together and pinned separately.

Jumper stake classes will be held separately.

Jumper riders are reminded there will be no walks allowed once the show begins. All courses can be walked from 7:00 am- 7:45 am each morning with riders keeping strict social distancing protocols with a minimum of 6 feet of separation. NO EXCEPTIONS!

We have done our best to come up with a generic schedule that is based on heights. There will be a separate show offered each day for three days of each week. Please note that only one office fee will be charged per week. The option is yours to show in whatever classes you want each day. Different courses will be set for each competition day as well as a rotation of hunter judges. We plan on using posted orders and signups that can be selected through the SGL online system. Please note that the maximum amount of trips allowed in each ring are listed per day. If you cannot be accommodated on one day we will give priority to you for the following day.

Management reserves the right to modify this schedule at any time that is necessary to accommodate safety and welfare and entries that may be on a waiting list. This includes but not limited to ring changes to any ring at PBIEC, canceling warm up classes and combining divisions.

Courses with distances will be posted online each day. Please go to [pbiec.coth](#). Click the "Competitors" drop down menu at the top of the screen and select the Ring and Date where you will be participating. We will post courses at the ingate but you are asked to be familiar with your courses before coming to the ring. Please note, there will be no walks allowed once the show begins. All courses can be walked from 7:00 am- 7:45 am each morning with riders keeping strict social distancing protocols with a minimum of 6 feet of separation. NO EXCEPTIONS!

We ask that exhibitors rely on your trainers and their staff to give the best times for when you will show. Riders and parents will not be allowed in the barn areas. We ask that you remain in your cars until it is your turn to mount, warm up and be ready to compete in the ring on time. Please keep in mind that we will be enforcing time limits on when you are expected in the ring. Be considerate to your fellow competitors showing after you that are monitoring their posted times. ESP ingate personnel will be updating the SGL system to the best of their ability however, keep in mind there are unforeseen situations that can cause delays. (Injuries, thrown shoes, thunderstorms, etc.) Again, please be prepared to get the most accurate information from your trainers or staff before going to the ring.

One important note about Thunderstorms. PLEASE plan on going to your cars in the event of any delay. We cannot afford a situation where groups of people try to go to a single area violating the social distancing protocols. Your personal car should be your safe place at all times.

We ask for your patience while we all navigate these challenges due to the COVID-19 environment. Any new showing protocols are being instituted for everyone's safety. These changes are challenging to all of us and we appreciate your understanding in advance.
