ACCESS TO SHOW GROUNDS

To maintain safety, all persons accessing the show grounds in 2020–2021 must meet the current COVID-19 CDC requirements before access is granted. Everyone will be required to sign a waiver, have ESP issued credentials and their temperature taken with a touchless thermometer before being allowed on the property. No exceptions. Please allow for extra time for this process every day on arrival.

We have made every attempt to spread out classes and sections to give better predictability of when exhibitors will show. We plan to use posted orders and signups that can be selected through the SGL online system.

Management reserves the right to modify this schedule at any time that is necessary to accommodate safety and welfare and entries that may be on a waiting list. This includes but is not limited to ring changes to any ring at PBIEC, canceling warm up classes and combining divisions.

We ask that exhibitors rely on their trainers and their staff to give the best times for when you will show. Riders and parents will not be allowed in the barn areas. We ask that you remain in your cars until it is your turn to mount, warm up and be ready to walk in the ring on time. Please keep in mind that we will be enforcing time limits on when you are expected in the ring. Be considerate to your fellow competitors showing after you that are monitoring their posted times. ESP ingate personnel will be updating the SGL system to the best of their ability, however, keep in mind there are unforeseen situations that can cause delays. (Injuries, thrown shoes, thunderstorms, etc.) Again, please be prepared to get the most accurate information from your trainers or staff before going to the ring.

One important note about Thunderstorms. PLEASE plan on going to your cars in the event of any delay. We cannot afford a situation where large groups of people try to go to a single area violating the social distancing protocols.

We ask for your patience while we all navigate these challenges due to the COVID-19 environment. Any new showing protocols are being instituted for everyone's safety. These changes are challenging to all of us and we appreciate your understanding in advance.

ACCESS TO SHOW GROUNDS

To maintain safety, all persons accessing the show grounds in 2020–2021 must meet the current COVID–19 CDC requirements before access is granted. Everyone will be required to sign a waiver, have ESP issued credentials and their temperature taken with a touchless thermometer before being allowed on the property. No exceptions. Please allow for extra time for this process every day on arrival.

We have made every attempt to spread out classes and sections to give better predictability of when exhibitors will show. We plan on using posted orders and signups that can be selected through the SGL online system.

Management reserves the right to modify this schedule at any time that is necessary to accommodate safety and welfare and entries that may be on a waiting list. This includes but not limited to ring changes to any ring at PBIEC, canceling warm up classes and combining divisions.

We ask that exhibitors rely on your trainers and their staff to give the best times for when you will show. Riders and parents will not be allowed in the barn areas. We ask that you remain in your cars until it is your turn to mount, warm up and be ready to walk in the ring on time. Please keep in mind that we will be enforcing time limits on when you are expected in the ring. Be considerate to your fellow competitors showing after you that are monitoring their posted times. ESP ingate personnel will be updating the SGL system to the best of their ability however, keep in mind there are unforeseen situations that can cause delays. (Injuries, thrown shoes, thunderstorms, etc.) Again, please be prepared to get the most accurate information from your trainers or staff before going to the ring.

One important note about Thunderstorms. PLEASE plan on going to your cars in the event of any delay. We cannot afford a situation where large groups of people try to go to a single area violating the social distancing protocols.

We ask for your patience while we all navigate these challenges due to the COVID-19 environment. Any new showing protocols are being instituted for everyone's safety. These changes are challenging to all of us and we appreciate your understanding in advance.

POST ENTRIES (ACCEPTED ON A VERY LIMITED BASIS)

Please remember due to current COVID-19 procedures, management is trying to give exhibitors accurate showing times. Post entries, late and same day adds create the biggest challenge for giving accurate information when additional rounds cannot be predicited after closing dates. Post entries MAY be accepted at the sole discretion of management before any scheduled class that is scheduled in a ring that has not reached the limit capacity unless otherwise indicated. Entries not adhering to the entry procedure above will be post and will pay a \$25 post fee. Post entries are meant to be a deterrent to being late. They are not just a way for the show to make money. Closing dates are one week prior to the first day of competition

PRIZE MONEY

Prize money will be credited to the entry's show account after the results of the class winnings are posted or a check will be mailed to the owner at the address on the entry blank within thirty days after the show, thereby ending the show's responsibility. Any class that has a number of entries required, will have the payout based on the number of on time entries and post entries will not be included in the number used to determine the payout. Classes that do not have enough entries to pay out prize money will either be canceled, or run without prize money at the exhibitors option. Any class with less than 4 entries will not pay prize money and entry fee will be as listed. NO Prize money will be awarded without a Social Security number or Federal Tax ID number on file. We require W-9s or W8-BEN forms for all prize money recipients.

JUMPER NOMINATIONS

A Jumper Nomination fee of \$100 will be collected for the following sections and classes. HUNTER & EQUITATION ATTIRE

Proper riding attire is required: boots, breeches, riding jacket, shirt with choker or tie. Riders must wear coats in all classes unless otherwise announced. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions, when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured GR801. PLEASE MAKE YOURSELF AWARE OF ALL JUMPER ATTIRE RULES PRINTED IN THIS PRIZE LIST. **A participant may choose to wear a facemask or face covering when mounted on a horse and cannot be disqualified or penalized for doing so while competing. Please remember that showing in Florida heat is very taxing on your body. Please make sure that you take this under consideration when making this decision. Please stay extra hydrated and wear devices (if you so choose) that do not contribute to heat-related illnesses such as Heat Exhaustion or Heat Stroke.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vest worn over coats.

Please look for air canister recycling containers located at participating Air Vest vendors.

BACK NUMBERS

Riders MUST wear the back number provided by the show for that horse

unless prior arrangements have been made, i.e., lost number, etc. **European** bridle or breastplate numbers will not be accepted as the only form of a number. Any participant using our online entry system still needs to come to the show office to obtain a show-issued number.

COMPETITION FEES

A \$7.00 Zone Support Fee per horse entered at National & Premier. An IHP fee of \$35 will be charged to each horse showing in any Computer Ranked Grand Prix.

JUMP ORDER

In order to give riders the best estimated times of when they will compete, management intends to designate an order of go for all over fences rounds. All orders will be posted online at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the ingate personnel involved. Do not rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with posted orders will use the following procedure in accordance with JP112.2: the horses names drawn individually, starting from the first position and then down. Please note that we will be opening up parts of the Showgroundslive software that allows for participants to sign up for order assignments by time designation the day before the class. We will be sending out tutorial information on this feature and it will also be posted on our website.

POLING

We do not allow any sort of manual poling or poling of any type on the competition show grounds.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

- 1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
- 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
- 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
- 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

- These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
- 5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
- 6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
- 7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
- 8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
- 9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
- 10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

bisphosphonate injection

for control of clinical signs associated with Navicular Syndrome in horses 4 years of age and older

www.dechra-us.com www.osphos.com

As with all drugs, side effects may occur. The most common adverse reactions reported in the field study were clinical signs of discomfort or nervousness, colic and/or pawing. Other signs reported were: lip licking, yawning, head shaking, injection site swelling, and hives/pruritus. Osphos should not be used in pregnant or lactating mares, or mares intended for breeding.

Use of Osphos in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.osphos.com.

CAUTION: Federal law restricts this drug to use by or on the order of licensed veterinarian.

OSPHOS[®] (clodronate injection)

For use in horses only.

Brief Summary (For Full Prescribing Information, see package insert) CAUTION: Federal (USA) law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Clodronate disodium is a non-amino, chloro-containing bisphosphonate. Chemically, clodronate disodium is (dichloromethylene) diphosphonic acid disodium salt and is manufactured from the tetrahydrate form.

INDICATION: For the control of clinical signs associated with

CONTRAINDICATIONS: Horses with hypersensitivity to clodronate disodium should not receive OSPHOS. Do not use in horses with impaired renal function or with a history of renal disease.

WARNINGS: Do not use in horses intended for human consumption.

HUMAN WARNINGS: Not for human use. Keep this and all drugs out of the reach of children. Consult a physician in case of accidental human exposure.

human exposure.

PRECAUTIONS: OSPHOS has been associated with renal toxicity.
Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Horses should be well-hydrated prior to and after the administration of OSPHOS due to the potential for adverse renal events. Water Intake and urine output should be monitored for 3-5 days post-treatment and any changes from baseline should elicit further evaluation. As a class, bisphosphonates may be associated with gastrointestinal and renal toxicity. Sensitivity to drug associated adverse reactions varies with the individual patient. Renal and gastrointestinal adverse reactions may be associated with plasma concentrations of the drug. Bisphosphonates are excreted by the kidney; therefore, conditions causing renal impairment may increase plasma bisphosphonate concentrations resulting in an increased risk for adverse reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Administration of bisphosphonates has been associated with abdominal pain (colic), discomfort, and agitation in horses. Clinical signs usually occur shortly after drug administration and may be associated with alterations in intestinal motility. In horses treated with OSPHOS these clinical signs usually began within 2 hours of treatment. Horses should be monitored for at least 2 hours following administration of OSPHOS.

Bisphosphonates affect plasma concentrations of some minerals Bisphosphonates affect plasma concentrations of some minerals and electrolytes such as calcium, magnesium and potassium, immediately post-treatment, with effects lasting up to several hours. Caution should be used when administering bisphosphonates to horses with conditions affecting mineral or electrolyte homeostasis (e.g., hyperkalemic periodic paralysis, hypocalcemia, etc.). The safe use of OSPHOS has not been evaluated in horses less than 4 years of age. The effect of bisphosphonates on the skeleton of growing horses has not been studied; however, bisphosphonates inhibit osteoclast activity which impacts bone turnover and may affect bone growth.

allect boile glowin.

Bisphosphonates should not be used in pregnant or lactating mares, or mares intended for breeding. The safe use of OSPHOS has not been evaluated in breeding horses or pregnant or lactating mares. Bisphosphonates are incorporated into the bone matrix, from where they are gradually released over periods of months to years. The extent of bisphosphonate incorporation into adult bone, and hence, the amount available for release back into the systemic circulation, is directly related to the total dose and duration of bisphosphonate use. Bisphosphonates have here shown to cause fetal nate use. Bisphosphonates have been shown to cause fetal nate use. Bispnosphonates have been shown to cause retail developmental abnormalities in laboratory animals. The uptake of bisphosphonates into fetal bone may be greater than into maternal bone creating a possible risk for skeletal or other abnormalities in the fetus. Many drugs, including bisphosphonates, may be excreted in milk and may be absorbed by nursing animals.

Increased bone fragility has been observed in animals treated with

bisphosphonates at high doses or for long periods of time. Bisphosphonates inhibit bone resorption and decrease bone turnover which may lead to an inability to repair micro damage within the bone. In humans, atypical femur fractures have been reported in patients on long term bisphosphonate therapy; however, a causal relationship has not been established.

ADVERSE REACTIONS: The most common adverse reactions reported in the field study were clinical signs of discomfort or ner-vousness, colic and/or pawing. Other signs reported were lip licking, yawning, head shaking, injection site swelling, and hives/pruritus.

POST-APPROVAL EXPERIENCE (December 2018): The following adverse events are based on post-approval adverse drug experience reporting. Not all adverse events are reported to FDA/ CVM. It is not always possible to reliably estimate the adverse event frequency or establish a causal relationship to product exposure using these data.

The following adverse events are listed in decreasing order of reporting frequency: renal failure, polyuria, polydipsia, abdominal pain, anorexia, lethargy, hypercalcemia, behavioral disorder, discomfort, hyperkalemia, hyperactivity, recumbency, hyperthermia, injection site reactions, muscle tremor, urticaria, hyperglycemia, and fracture. In some cases, death has been reported as an outcome of the adverse events listed above.

INFORMATION FOR HORSE OWNERS: Owners should be advised to:

- · NOT administer NSAIDs.
- Ensure horses have access to adequate water before and after administration of OSPHOS.
- Observe their horse for at least 2 hours post-treatment for signs of colic, agitation, and/or abnormal behavior.
- If a horse appears uncomfortable, nervous, or experiences cramping post-treatment, hand walk the horse for 15 minutes.
 If signs do not resolve contact the veterinarian.
- Monitor water intake and urine output for 3-5 days post treatment.
- Contact their veterinarian if the horse displays abnormal clinical signs such as changes in drinking and urination, appetite, and attitude.

It is important to note that close contact has occurred even if one, or both individuals is wearing a mask. (Refer to CDC FAQ).

Anyone who has been in contact with an individual who is confirmed or suspected to be COVID- 19-positive should quarantine in accordance with CDC Guidelines.

COVID-19 Incident or Outbreak - For purposes of this document, an incident is defined as a report of any COVID-19 related event or occurrence including, but not limited to, an individual who is exhibiting symptoms of COVID-19. An outbreak is defined as multiple COVID-19 related incidents or occurrences.

Competition Organizers must provide face masks or face coverings to competition staff, volunteers and officials. **Face masks and face coverings must fully cover the nose and the mouth while being worn.**

***The CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain. Cloth face coverings should fit snugly but comfortably against the side of the face, be secured with ties or ear loops, include multiple layers of fabric, allow for breathing without restriction and be able to be laundered and machine dried without damage or change to shape.

Isolation - Separation of a person or group of people known or reasonably believed to be infected with a communicable disease and potentially infectious, from those who are not infected to prevent the spread of the communicable disease.

Participants - For purposes of this document, any reference to Participants includes owners, lessees, riders, athletes, parents, vaulters, drivers, trainers, coaches, grooms, longeurs, navigators, personal care assistants (PCAs), and any other required support personnel/staff that are essential for providing care to the horses and/or the athletes

For purposes of this document, a fever is defined as an elevated body temperature of **100.4°F** (**38°C**) or higher. This definition of fever utilizes a temperature threshold slightly lower than in CDC guidelines, but this more stringent temperature threshold prevails as the requirement.

WHO – World Health Organization. All activity that occurs at a USEF-licensed competition must be conducted in accordance with WHO recommendations.

COVID-19 Action Plan for Competitions - Revised 9/15/20

D. General

USEF-Licensed competitions must operate in accordance with the USEF COVID-19 Action Plan for USEF-Licensed Competitions (Plan). This plan is based on federal, state and local regulations, **WHO** recommendations, **CDC guidelines** and USEF requirements. There will be times when regulations, recommendations, guidelines and requirements may differ. In these instances, the more restrictive regulations, recommendations, guidelines and requirements will prevail and supersede all others, e.g. face masks/coverings may not be required by a state or local government but is required at a USEF licensed competition nonetheless due to CDC guidance.

If an individual needs an accommodation under the American Disabilities Act, please submit the request, along with documentation of the disability and need for accommodation, to legalrequests@usef.org. It should be noted that we are experiencing a high volume of legal inquiries at this time, and we will respond as soon as possible. Requests for accommodations will be reviewed on a confidential basis with a medical consultant.

Additionally, competition organizers must implement the USEF requirements listed on the following pages, and are very strongly encouraged to implement all recommended best practices contained herein or similar practices for mitigating risks related to the COVID-19 virus.

These requirements are in effect immediately and until further notice, however, they are subject to revisions as the COVID-19 virus environment changes.

ESP has been instrumental in helping develop these protocols with USEF since the March shutdown. We have very diligently studied and applied actions for all requirements based on our operations and facilities. We have also enhanced and added additional protocols that we feel are best for the general welfare of our exhibitors. We have been in close contact with local authorities – and any competition held at our facility will be with their knowledge and support.

USEF Competition Organizers must complete the WHO Mass Gathering for Sports Risk Assessment Tool and work with state and local governments and public health authorities prior to the start of the competition to help determine risks and mitigation measures. Competition Organizers are encouraged to consult their insurers and legal counsel as well. ESP completed the WHO Mass Gathering for Sport Risk Assessment Tool in April. We are considered low risk with an impressive mitigation score of 86%

If competition organizers have any questions, please contact Katlynn Sacco by email at ksacco@usef.org or by phone at (859) 225-6981.

E. Agreements

For currently licensed competitions: Execute the Addendum to the USEF Licensing Agreement (provided by USEF) by the required deadline prior to the start of the competition.

- Ensure that all participants, including licensed officials and volunteers, provide emergency contact information and execute an updated Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement required by USEF, as a condition of participation. Please ensure use of the updated form for competitions starting on May 6, 2020, or after. This form will be made available with the entry blanks. Please note that all riders, parents and/or guardians, owners, coaches, and trainers must sign this form before any back numbers are assigned. Absolutely no entries will be accepted or processed before a back number is assigned with this process. No exceptions!
- **Prior to the start of a competition,** create an Emergency Response Plan specific to a COVID-19 incident or outbreak that includes local medical resources and addresses outbreak protocols including medical evaluation, isolation and quarantine, and reporting. ESP has modified its emergency response plan for all accidents to include COVID-19 protocols. If there are any instances of an outbreak, our local contracted PBCFR authorities will handle this situation in the quarantine tent located by the onsite Fire Rescue unit.
- If a COVID-19 incident or outbreak occurs, USEF, all *competition staff, service providers, participants,* and support personnel participants and competition staff must be notified. Emails will be required from all participants and competition staff and notification will be distributed immediately upon such an occurrence.

- Provide training for competition staff, volunteers and licensed officials regarding all procedures and requirements associated with the Plan. All staff have been distributed copies of the ESP Accident plan.
- Ensure vendors and service providers are included in the communication and training requirements associated with the Plan. Vendors will be extremely limited but any that are allowed to be on the grounds will be included in those notified.
- Disseminate a copy of the Plan to all applicable competition personnel- Covered above.
- A minimum of 14 days prior to the start of the competition, inform (e.g., via prize list/omnibus, website, social media, email, etc.) all participants, officials and competition personnel of protocols and safeguards implemented for their protection against spreading COVID-19 by providing them with a list of such measures. With constant changes needed to be made to the USEF COVID-19 Action Plan for USEF Licensed Competitions, this document will be updated as needed on the PBIEC.coth.com, under the Competitors tab.

F. Access

General access to the PBIEC show grounds is limited to a maximum of 4 people **per horse**: the rider, trainer, groom **and** ***one additional person***.

Require temperature monitoring for volunteers, officials, competition staff and service providers once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F (38° C) or higher may not enter the facility. As implemented in May, we will continue to check everyone's temperature before they are allowed access to the grounds. Everyone will either be checked by the thermal camera system or at entry point gates A-G with a touchless thermometer before they are allowed access through the gate. Anyone with a temperature below 100.4° F (38° C) may enter the facility. We ask that everyone check their own temperature at home before coming to work to avoid any incident of possible exposure before this mandatory check at the entry gate.

The following individuals are not allowed to enter the competition grounds:

Anyone who:

- Anyone who exhibits COVID-19 symptoms,
- Anyone who has tested positive for COVID-19 within 10 days,
- Anyone who has tested positive outside of the past 10 days, but is still symptomatic,
 or
- **Anyone who** has been in close contact with someone who has tested positive for COVID-19 within the last two weeks **14 days.** cannot enter the competition grounds. This is posted at the entry gate.
- *Exception: Healthcare personnel who have treated patients using appropriate medical- grade PPE during the course of performing professional duties are exempted from this restriction.
- Refer to Appendix A for Self-Isolation/Self-Quarantine Directives in the event a person has a fever or exhibits other symptoms of COVID-19.
- **Please reference Participant requirements regarding temperature monitoring on page 10 for Participant responsibilities.
- ***If a situation arises regarding access that is not addressed in this Action Plan, please contact USEF. Direct inquiries to ksacco@usef.org or dsaliling@usef.org.
 - Inform all competition staff, service providers, participants, and support personnel that if any individual who was present on the competition grounds tests positive for COVID-19 within 14 days of the conclusion of competition, that individual must immediately notify **both the Competition Organizer and USEF.** Direct USEF reports to **ksacco@usef.org.**
 - Competition Organizers must notify USEF, as well as all competition staff, service providers, participants, and support personnel if any individual who was present on the competition grounds tests positive for COVID-19 within 14 days of the conclusion of the competition. ESP will notify all required parties once ESP management has been made aware of a positive.

- Require a face mask or face covering for all staff, officials, volunteers, service providers and participants
 at all times while on competition grounds when not mounted on a horse, or seated *riding* in a horsedrawn carriage or cart, or during in-hand classes as outlined by the procedures* below. Competition
 Organizers must provide face masks or face coverings to competition staff, volunteers and officials. You
 can find recommendations for proper use of face masks and face coverings via the Centers for Disease
 Control & Prevention website.
- To eat or drink, an individual must move far enough away from others to minimize the possibility of being within six feet of any other individual before the lowering the mask or face covering to eat or drink. The mask must be immediately replaced over the nose and mouth when finished.
- If an individual requires modification to this face mask/face covering requirement, please submit written request, accompanied by documentation substantiating the need for modification, to legalrequests@usef. org. It should be noted that we are experiencing a high volume of legal inquiries at this time, and we will respond as quickly as possible. Requests for modifications will be reviewed on a confidential basis with a medical consultant.

*In-Hand Class Procedures – face masks or face coverings that fully cover your nose and mouth are required at all times at USEF-licensed competitions, including while exhibiting horses and ponies in-hand. However, if absolutely necessary, you may lower your mask while jogging or running with a horse or pony in-hand, or while executing a pattern, but only if you are able to maintain social distancing of at least six feet while doing so. The mask must be replaced immediately once the jog, or run, or pattern, is completed.

- **A participant cannot be disqualified or penalized for wearing a face mask or face covering while competing.
- As enforced by ESP since May, these requirements will continue to be enforced by all ESP personnel. We take these basic requirements very seriously to help prevent the spread so please be prepared to wear masks and maintain social distancing at all times while on the grounds or please don't show with us.
 - ** A participant cannot be disqualified or penalized for wearing a facemask or face covering while competing. All judges will be notified. No penalties will also apply to goiter style masks that are draped around the neck. All ESP judges have been notified in writing prior to arrival at the show.

G. Signage

- Post signage that displays all applicable federal, state and local regulations, requirements and orders as well as WHO recommendations and CDC guidelines as they relate to mass gatherings and sporting events in effect at the competition. Posted at all entrances as well as appropriate signage throughout the property.
- Post signage throughout the competition grounds that lists the requirements for social distancing and the use of face masks/face coverings. Posted at all entrances as well as appropriate signage throughout the property.

USEF provided posters: Face Masks & Social Distancing

- Post signage at all entrances to the competition grounds which identifies the symptoms of COVID-19 and states the following:
- To protect others from possible transmission of the virus, anyone who exhibits COVID-19 symptoms or has been in contact with someone who has tested positive for COVID-19 within the last two weeks (exception, healthcare personnel who have treated patients using appropriate medical-grade PPE during the course of performing professional duties), cannot enter the competition grounds. These individuals are encouraged to contact their health care provider immediately for further medical advice and must obtain documented clearance from their health care provider before entering the competition grounds. Participants must assume responsibility for themselves and their own staff (e.g. grooms, assistants, etc.).

Sample poster: Symptoms of Coronavirus Disease Posted in multiple locations throughout the property

- Post signage throughout the competition grounds (i.e. competition office, competition and schooling areas, barns, etc.) which includes recommendations about good hygiene along with informing participants and others about ways to reduce the risk of COVID-19 transmission. Posted in multiple locations throughout the property
- Sample Poster: CDC Stop the Spread of Germs Posted in multiple locations throughout the property

H. Social Distancing & Limiting Entries and/or Stabling

Enforce social distancing requirements throughout the competition grounds at all times. All ESP Staff will be wearing fluorescent vests displaying the constant reminder of social distancing. All ESP staff members will have the authority to warn and remind anyone on ESP facility property of the necessity of social distancing. We also realize that many of you have quarantined together for the past several months. We ask that EVERYONE abide by social distancing protocols while outside of your cars on the grounds. This includes members of their immediate household. With the exception of parents with toddlers, we are asking everyone on the grounds to remain six feet apart so that the social distancing requirements remain uniform and builds on healthy distancing habits. This is very important for the effective enforcement and safety of everyone on the grounds.

All individuals must practice social distancing (or physical distancing) at all times while on the competition grounds by staying at least 6 feet (about 2 arms' length) from any person. Everyone is required to wear a mask or face coverings **at all times while on competition grounds**, including members of their own household. **Everyone should have a mask on at all times. Everyone should observe social distancing.**

*Exceptions

- Social distancing is not required when competing in driving classes where more than one participant is seated **riding** in the horse-drawn carriage or cart.
- Individuals are allowed to be seated together while being transported by golf cart (or similar fourwheeled transport vehicle), but capacity may not exceed the number of seats on the cart or vehicle and all individuals must wear face masks or face coverings.
- Congregating on or around a parked or stationary golf cart or vehicle is prohibited.
- ESP will not allow congregating by anyone.
- Competition Organizers are encouraged to implement a system that visually (e.g., numbered or colored IDs or some other form of credential) identifies members of the same household. Effective August 24, 2020, ESP has elected to stop issuing arm bands to family members. With the exception of parents with toddlers, we are asking everyone on the grounds to remain six feet apart so that the social distancing requirements remain uniform and builds on healthy distancing habits. This is very important for the effective enforcement and safety of everyone on the grounds. Please remember there is to be a maximum of 4 people per horse: the rider, trainer, groom and *one additional person*.
- Prohibit the public, spectators, and non-essential personnel such as guests from being on the competition grounds until further notice. Posted and regulated by all ESP Staff.
- Competition Organizers must determine whether a sponsor can be present on competition grounds by
 assessing whether the sponsor meets the criteria of being essential to providing care to the horses or
 athletes, or provides direct services contracted by the Competition Organizer. If sponsors are present, they
 must comply with face mask/face covering, social distancing, and all other requirements. ESP Sponsorship
 personnel have been in communication with sponsors. Sponsors (while observing all COVID-19 protocols)
 will be allowed on the property (if they so choose) for the purposes of presentations.
- Organize horse arrivals and departures to limit contact between people. Stall assignments will be issued by aisle. In any instance where an aisle must be shared, security will regulate unloading so groups can stay apart during this process. All trailer in parking will be directed by security to give sufficient area for social distancing requirements.
- Arrange judges' and other officials' areas to comply with social distancing requirements. In the event
 that it is absolutely impossible to maintain social distancing of six (6) feet or more, the erection of a solid
 divider located in front of, and between individuals, and of sufficient size to reduce the risk of respiratory
 particulates being spread, must be used. The inclusion of such dividers does not eliminate the requirement
 to wear face masks or face coverings unless airtight separation can be maintained.

Hunter judges are solo. Jumper judges are in maximum teams of two with alternating shifts. One acting as a field judge, and the other occupying the booth solo.

- Restrict competition office access to essential personnel only, configure the space and limit the number of office staff to comply with social distancing, and limit the number of participants who can enter the competition office at one time (e.g., schedule check-in/check-out times) Signs have been placed on the outside of the office door designating that a maximum of 4 people (in addition to ESP secretaries and management) are allowed in the office at any time No additional staff will be allowed in the office to exceed the maximum occupancy. All staff radios, computers, clip boards, judges' cards, etc., will be delivered to their location before the show and picked up after completion. You may also arrange for office appointments in advance by emailing Jennifer Glosson at jglosson@equestriansport.com or Hali Miller at casey255@gmail.com
 - Competition Organizers must notify USEF if entries are to be limited. There are posted total numbers of rounds allowed per ring on the competition schedule. This may be changed as proficiency for scheduled times improves or declines. Management reserves the right to cancel warm-ups or move divisions to other rings to best accommodate those on the waiting list. At all times, no entries will be processed before: back numbers are assigned (10,000 or 20,000 numbers assigned by online is not a back number), a method of payment on file and all proper waivers are completed. After back numbers are assigned the entry process will open on a first come, first serve basis.
 - The FEI will determine whether entries may be limited in FEI classes. Not applicable August-October.
 - Competition Organizers may limit entries to the competition and/or to specific sections/classes within the competition to manage the concentration of horses and people. **There will be total numbers or rounds allowed per ring** as explained above.
 - Regardless of the scope of the limitation, the limiting of entries must be done on a first come, first served basis and relevant information must be posted on the competition website or in the prize list, as well as at the competition office and at each competition area (i.e. ring, arena, field, cross country course). First come first serve will be automated as described above through the SGL software.
 - Competition management must also communicate the system used for notifying and "wait-listing" individuals who submit entries after the available spaces are filled, and the method must be equally applied to all potential participants. First come first serve will be automated as described above through the SGL software. Those placed on the "add waiting list" will be informed by the show secretaries if management determines that the adds can be accepted.
 - Configure stabling to comply with social distancing requirements in order to manage concentration of horses and people. Described below.
 - Competition Organizers must notify USEF if stabling is to be limited. Stabling will be limited as described below.
 - Regardless of the scope of the limitation, the limiting of stabling MUST be done on a first come, first served basis and relevant information must be posted on the competition website or in the prize list.

 Stabling will only be offered to those who correctly fill out entries as described in the entry process.

 Once exhibitors are assigned numbers, the availability of stalls will be opened. Stabling at the Equestrian Village (EV) site is limited and will be offered first to groups that are buying summer stall packages. After the expiration of summer stall packages, stalls for individual shows will be available for reservations. All stall reservations are restricted to a maximum increment of 12 per group. Additional stalls (over 12 or 24) will be provided if available on a first come first serve basis. Smaller groups will be placed in aisles of 12 stalls with spacing between to the best of our ability. Our EV barn aisles are 10 feet wide with sliding doors that allow for people to pass each other on opposite sides with social distancing room to spare. Please note that once EV stabling inventory is depleted, management reserves the right to assign stalls at the PBIEC location.

We have made the show schedule as conducive as possible to allow for everyone to trailer in and show. We encourage all participants to consider this option before ordering a stall. Please remember that all barn areas will be restricted to grooms, trainers, vets and other essential personnel. Signage in English and Spanish are placed on every exterior aisle entrance. ESP reserves the right to offer 10'x 10' vinyl temporary stalls to help accommodate extra stabling requirements once permanent stalls inventory is depleted.

- Competition Organizer must also communicate the system used for notifying and "wait-listing" individuals who submit stabling requests after the available spaces are filled, and the method must be equally applied to all potential participants. Stabling will be assigned on a first come first serve basis. Anyone on a waiting list will be notified where they are on that list.
- Competition Organizers must publish their policy regarding entry and stall refunds within the prize list and/or on the competition website. Stalls must be prepaid once assigned. As stalls are extremely limited, no refunds will be given unless the entire competition is cancelled. Partial refunds may be applied at management's discretion if groups on a waiting list can be accommodated after a stall reservation is cancelled.

I. Enforcement Authority

USEF Stewards and Technical Delegates will inform individuals when they are not in compliance with the regulations and requirements in effect at the competition and shall report such situations to the Competition Organizer. The Competition Organizer has the authority under GR 702.1 and GR914 to remove from the facility any person who does not comply with the regulations and requirements in effect at the competition. Stewards/Technical Delegates must report the removal of any person from competition grounds for non-compliance with regulations and requirements in effect at the competition in their USEF Steward/Technical Delegate Report. ESP had a very successful opening in May and June with the majority of exhibitors being very cooperative with all COVID-19 protocols. We are confident that all participants will continue to comply with these requirements that have been established to keep everyone safe. ESP does reserve the right to remove anyone from the show grounds that does not comply with any of the posted COVID-19 protocols.

Competition Organizers are responsible for enforcing all social distancing and face mask/face covering requirements. ESP Management will continue to enforce all of these requirements at the Summer Series.

- Stewards/TDs are required to report compliance on the part of Competition Organizers with respect to the mandatory requirements listed above. Any such occurrence will be reported.
 - Did the Competition Organizer confirm completion of the **WHO Mass Gathering for Sports Risk Assessment Tool**? <u>Yes, we did</u>. We are considered low risk with an impressive mitigation score of 86%
 - Did Competition Organizer adhere to the requirements listed above in Sections D-H to the best of its abilities, including posting the required signage?

Mandatory Requirements for Participants

J. General

USEF-Licensed competitions must operate in accordance with the USEF COVID-19 Action Plan for USEF-Licensed Competitions (Plan). This plan is based on federal, state and local regulations, WHO recommendations, CDC guidelines and USEF requirements. There will be times when regulations, recommendations, guidelines and requirements may differ. In these instances, the more restrictive regulations, recommendations, guidelines and requirements will prevail and supersede all others, e.g. face masks/coverings may not be required by a state or local government but is required at a USEF licensed competition nonetheless due to CDC guidance.

If an individual needs an accommodation under the American Disabilities Act, please submit the request, along with documentation of the disability and need for accommodation, to legalrequests@usef.org. It should be noted that we are experiencing a high volume of legal inquiries at this time, and we will respond as soon as possible. Requests for accommodations will be reviewed on a confidential basis with a medical consultant.

Participants are required to comply with these and any additional Competition Organizer requirements at all times while present on competition grounds. Failure to do so may result in expulsion from the grounds.

These requirements are in effect immediately and until further notice, however, they are subject to revisions as the COVID-19 virus environment changes.

If participants have any questions, please contact Debbie Saliling by email at dsaliling@usef.org or by phone at (859) 225-6930.

K. Waiver/Release & Indemnity Agreement

Provide emergency contact information and execute an updated Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement required by USEF, as a condition of participation. Please ensure use of the updated form provided by competition organizer. ESP is also asking for accurate cell phone numbers and email address to use in the case of notification requirements.

L. Access

Participants and Support Personnel are required to self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F (38° C) or higher may not enter the facility. As implemented in May, we will continue to check everyone's temperature before they are allowed access to the grounds. Everyone will either be checked by the thermal camera system

or at entry point gates A-G with a touchless thermometer before they are allowed access through the gate.

The following individuals are not allowed to enter the competition grounds:

- Anyone who exhibits COVID-19 symptoms,
- Anyone who has tested positive for COVID-19 within last two weeks 10 days,
- Anyone who has tested positive outside of the past 10 days, but is still symptomatic,

or

- **Anyone who** has been in close contact with someone who has tested positive for COVID-19 within the last two weeks **14 days.** cannot enter the competition grounds.
- *Exception: Healthcare personnel who have treated patients using appropriate medical- grade PPE during the course of performing professional duties are exempted from this restriction.
- Refer to Appendix A for CDC guidelines for self-isolation/quarantine directives in the event a person has a fever or exhibits other symptoms of COVID-19. Attached

Participants and Support Personnel are required to wear a face mask or face covering at all times while on competition grounds when not mounted on a horse, or seated *riding* in a horse-drawn carriage or cart, or during in-hand classes as outlined by the procedures* below. You can find recommendations for proper use of face masks and face coverings via the Centers for Disease Control & Prevention website.

To eat or drink, an individual must move far enough away from others to minimize the possibility of being within six feet of any other individual before the lowering the mask or face covering to eat or drink. The mask must be immediately replaced over the nose and mouth when finished.

• If an individual requires modification to this face mask/face covering requirement, please submit written request, accompanied by documentation substantiating the need for modification, to legalrequests@usef.org. It should be noted that we are experiencing a high volume of legal inquiries at this time, and we will respond as quickly as possible. Requests for modifications will be reviewed on a confidential basis with a medical consultant.

As in May and June, these requirements will continue to be enforced by all ESP personnel. All ESP Staff will be wearing florescent vests displaying the constant reminder of social distancing and all personnel will enforce face mask requirements as well. We take these basic requirements very seriously to help prevent the spread so please be prepared to wear masks and maintain social distancing at all times while on the grounds or please don't show with us.

- **A participant may choose to wear a face mask or face covering when mounted on a horse and cannot be disqualified or penalized for doing so while competing. Please remember that showing in Florida during the summertime heat is very taxing on your body. Please make sure that you take this under consideration when making this decision. Please stay extra hydrated and wear devices (if you so choose) that do not contribute to Heat related illnesses such as Heat Exhaustion or Heat Stroke.
- If any person who was present on the competition grounds tests positive for COVID-19 within 14 days of the conclusion of competition, USEF **and the Competition Organizer** must be notified immediately. Direct USEF reports to ksacco@usef.org

M. Social Distancing/Participation Protocols

- All individuals must practice social distancing (or physical distancing) at all times while on the
 competition grounds by staying at least 6 feet (about 2 arms' length) from any person who is not a
 member of their immediate household. Members of the same household are still required to wear masks
 or face coverings at all times while on competition grounds.
- * Exceptions
 - Oscial distancing is not required while competing (including warm-up) in driving classes where more than one participant is seated *riding* in the horse-drawn carriage or cart. Individuals are allowed to be seated together while being transported by golf cart (or similar four-wheeled transport vehicle), but capacity may not exceed the number of seats on the cart or vehicle and all individuals must wear face masks or face coverings.
 - Congregating on or around a parked or stationary golf cart or vehicle is prohibited.

As of August 24, 2020 ESP has elected to stop issuing arm bands to family members. With the exception of parents with toddlers, we are asking everyone on the grounds to remain six feet apart so that the social distancing requirements remain uniform and builds on healthy distancing habits. This is very important for the effective enforcement and safety of everyone on the grounds. Everyone should have a mask on at all times. All ESP Staff will be wearing florescent vests displaying the constant reminder of social distancing. All ESP staff members will have the authority to warn and remind anyone on ESP facility property of the necessity of social distancing. We also realize that many of you have quarantined together for the past several months. We ask that EVERYONE abide by social distancing protocols while outside of your cars on the grounds. Please remember there is to be a maximum of 4 people per horse: the rider, trainer, groom and *one additional person*.

O Wash hands often and adhere to other sanitization practices throughout the day. We have secured as much hand sanitizer as possible. We have ample sanitizer dispensers placed around all entrances, ingates, bathrooms, show office as well as key areas around the grounds. If you find any dispensers on the grounds out of supply, please bring this to managements attention and it will be rectified immediately. We have also placed portable sinks at all rings supplied with high quality antibacterial soap. Antibacterial soap dispensers have also been placed at the common wash rack area. Please encourage your grooms to wash their hands after using the common hoses.

Recommended Best Practices for Competition Organizers

The following Recommended Best Practices have been provided to assist Competition Organizers with determining risks and developing measures to mitigate those risks. Please note these are not mandatory, however USEF strongly encourages their implementation.

N. General Considerations

- To the extent possible, limit the number of entrances and exits to the venue to manage crowding, social distancing and venue limitations. We have installed security fencing at the EV facility to prevent anyone from getting in without going through any of the seven security gate check points. This was done to regulate all people accessing the property in addition to checking everyone's temperature.
- It is strongly recommended that competition organizers secure additional staff or volunteers dedicated to monitoring adherence to Action Plan requirements, and who can support USEF Stewards', Technical Delegates' and Competition Management's efforts to ensure compliance with safety protocols. ESP has hired additional stewards, "COVID Cops" and personnel since May to help enforce all rules including but not limited to ESP COVID-19 Action Plan Rules.
- Communication Use radio, phone and online communication methods as much as possible and communicate important information frequently throughout the competition grounds. Announcers and ingate personnel make constant announcements reminding everyone of social distancing and mask requirements. We have also implemented a mass text communication platform to inform everyone of changes in the schedules, ring delays or emergencies such as thunderstorms.

- It is strongly recommended that competition organizers conduct exhibitor meetings (virtually, telephonically, or in an environment where social distancing can be maintained) both prior to and during the competition to communicate requirements and address questions.
- VIP and other social areas are strongly discouraged unless social distancing requirements are enforced in accordance with all applicable federal, state and local regulations, requirements and orders as well as WHO recommendations and CDC guidelines as they relate to mass gatherings and sporting events.
 There will be no VIP or social areas at the ESP venue through September.
- It is strongly recommended that if people are going to travel together in the same vehicle to a
 competition, they should take their temperatures prior to getting into the vehicle to ensure no one travels
 to the competition with an elevated temperature.
 This should include golf cart transportation.

O. Considerations for Facilities, Staff, Medical Personnel, Service Providers & Volunteers

Cleaning/Sanitizing Locations

- Service providers and support personnel are recommended to comply with the following:
 - Register with the competition organizer and indicate when they are going to be on the competition grounds;
 - Sign a waiver provided by the organizer;
 - Comply with a requirement to change PPE (face mask/face coverings, etc.) when moving between stables;
 - Comply with all social distancing and face mask/face covering requirements, and sanitizing best practices while on competition grounds; and
 - Do not linger or socialize in stables or anywhere else on competition grounds while performing or after completing work.
- Provide hand sanitization stations with access to soap and water or alcohol based hand sanitizer at each
 competition area and schooling/warm up area. We have secured as much hand sanitizer as possible. We
 have ample sanitizer dispensers placed around all entrances, ingates, bathrooms, show office, as well as
 key areas around the grounds. If you find any dispensers on the grounds out of supply, please bring this to
 management's attention and it will be rectified immediately. We have also placed portable sinks at all rings
 supplied with high quality antibacterial soap. Antibacterial soap dispensers have also been placed at the
 common wash rack area. Please encourage your grooms to wash their hands after using the common hoses.
- Provide hand sanitizer to all officials, ring crew, office staff and maintenance staff. ESP has provided this to staff since March and will continue to do so.
- Frequently sanitize surfaces touched by many: door handles, arena gates, wash racks and hoses, etc.
 Cleaning staff covering the bathrooms will make regular trips to the office to sanitize door handles. Hand
 sanitizer will be placed outside the office entry and exit door. Water coolers will remain available at the
 ingates (and handles wiped with use) with disposable cups as well as free bottled water. Antibacterial soap
 dispensers have also been placed at the common wash rack area. Please encourage your grooms to wash
 their hands after using the common hoses.
- Ensure frequent cleaning and sanitizing of bathrooms, provide soap and water or alcohol based hand sanitizer in bathrooms. There are three (3) bathroom areas available at GDF and each area will be assigned a staff cleaner to constantly wipe down all touched areas. Reminders will be placed outside and inside bathrooms to use the quality antibacterial soap that will be kept in plentiful supply.
 - For the continued safety of all our cleaning staff, we would respectfully remind anyone using the bathroom areas around our cleaning crew to give them the same social distancing area as anyone else on the grounds. Thank you in advance for your consideration.
- Prohibit the use of public water fountains. The public water fountains will be disabled until further notice.
- Competition Office If you need to contact the show office you can call Jenn Glosson at (561) 313-5133 or by email at iglosson@equestriansport.com.

- Strongly encourage all competitors to complete entry forms, in their entirety, including having all requisite
 memberships in place, prior to entering competition office. We have introduced a new feature that allows
 for electronic entries to be made and signed remotely. These will be available on the pbiec.coth.com
 website once the prize list and entry process is announced.
- Strongly encourage that all entries, adds, scratches, feed & bedding orders, billing/invoicing are done
 electronically. Our SGL software has always allowed for adds, scratches, viewing bills and making
 payments remotely. With these features, there is little reason that would require someone to visit the
 office. All feed and bedding are handled through Gold Coast Feed. Phone in orders are the primary
 means of ordering.
- Install clear plastic, glass or other type of protective shield/barrier in front of office staff. This has been built and installed.
- Provide hand sanitizer near the door. This is provided at entry door and inside exit door.
- Provide an 'in' door and an 'out' door, if possible. These have been provided with proper signage in English and Spanish and directional arrows placed on the floor.
- Provide markers to delineate 6 feet spacing between people in the office and in any waiting lines (e.g., markers on floor). Measured areas marked and provided. There is also a shade tent with 6 foot spacing outside the office for those waiting for less than four person occupancy.
- Prepare and email competitor bills as early as possible. SGL online close out capability provided. You may also request bills to be printed in advance by emailing Jennifer Glosson at jglosson@equestriansport.com or Hali Miller at casey255@gmail.com
- Establish appointment times for checkout at the competition office. SGL online capability provided. You may also request an office appointment in advance by emailing Jennifer Glosson at iglosson@ equestriansport.com or Hali Miller at casey255@gmail.com

Service Providers and Vendors

- Advise any service providers (e.g. vendors, food-service, farrier, feed suppliers, waste disposal personnel) to take precautions in accordance with federal, state, local and facility regulations and CDC guidelines. All advised.
- For onsite food-service, consider requesting provision of pre-packaged food only. Beach Buffalo has
 an online menu available. They take orders and payment by phone and have a text service available to
 notify when orders are ready for pickup. Beach Buffalo has also posted their COVID-19 protocols on our
 website for customer review.

P. Competition, Schooling and Exercise Area Considerations

- Utilize posted orders of go and/or published ride times including online orders of go and ride times.
 During the show, this will continued to be provided online through our SGL software. For schooling
 days the jumps in the show rings cannot be touched or altered by exhibitors. We have designated time
 slots by height for back number schooling. In addition, we have made it possible to remotely "enter"
 through SGL a specific 15-20 time slot by height so you know exactly when you can arrive to school.
 Please see the time schedule for these options. Walk ups will be accommodated by ingate personnel
 on a first come, first serve basis.
- At venues with multiple competition areas, consider designating one area as primary where assigned times and/or orders of go take precedence. The priority ring will be established based on daily numbers and time constraints. This will be announced or provided by mass text notification.
- Consider scheduling course walks as necessary to comply with social distancing requirements (e.g., schedule small groups in separate sections). All courses will be posted on our website with distances for all disciplines. ALL course walks will be extremely brief, with social distancing protocols strictly enforced and should be focused only in areas where distances are not provided. Management reserves the right to close any ring at any time to walking if protocols are not being followed.
- Utilize individual water bottles versus community water coolers. Water bottles will be provided and water dispensers cleaned regularly with disposable cone cups. Recycling bins will be provided at ingate areas to encourage plastic bottle recycling.

- Limit and organize seating areas to comply with social distancing requirements. There will be extremely limited seating and placed far apart. All bleachers have been removed. We are strongly encouraging people to stay in their cars until getting on their horse. Please note that Golf Cart occupants that do not belong to the same household should not sit in golf carts violating social distancing requirements. Once the golf cart has reached its destination, all occupants should get out. Please remember, if you are looking for a chair you should probably go to your car. Spectating is not allowed at this time.
- Restrict the number of people accompanying a horse to the competition area to those persons who are needed for safety or for achieving effective competition, but they all must comply with social distancing requirements. There will be numerous signs and warnings to limit each showing horse with a maximum of 4 people. Rider, Trainer, Groom and one other Companion. For parents of minors, we request that one parent stays in the car. We will do our best to provide areas to park cars by the rings as long as this does not compromise event safety for providing. This and all social distancing requirements will be enforced by any and all ESP personnel. All ESP personnel will wear fluorescent safety vest displaying social distancing enforcement. This will remain a constant reminder to anyone on the grounds to remain vigilant in maintain social distancing at all times.

Schooling and exercise area provisions:

- Provide monitors to ensure compliance with requirements and best practices. Always monitored and
 controlled by stewards, schooling supervisors and/or ingate personnel. A maximum of one person per
 schooling standard will be allowed per schooling jump. Each schooling jump will be spaced at least 10'
 apart to accommodate people on both sides with social distancing.
- Schooling jumps Provide sanitizing items (spray bottles, wipes) at each competition arena and schooling/warm-up area and advise individuals to wipe down jump equipment after use. We will be advising exhibitors to continue to use gloves when using schooling jumps in the common areas. We will provide rubber gloves upon request, but please plan on using your own gloves of choice. Common jump cups and schooling rails have been "fogged" with a product called "Gold Shield." This is a product that is used in hospitals to coat surfaces that prevent areas for viruses to attach to. The product states that the coating lasts for 90 days and can only be removed with product such as bleach. We will be recoating all of our schooling jumps on a monthly basis with the fogging system and "Gold Shield" product.
- Determine equine/human capacity in relation to the area and restrict access to a limited number in
 order to maintain social distancing requirements. A maximum of one person per schooling standard will
 be allowed per schooling jump. Each schooling jump will be spaced at least 10' apart to accommodate
 people on both sides with social distancing. Signage enforcing maximum occupancy will be placed
 around areas that need to be defined. (Such as shade tents or offices.) In any case the Dressage complex
 is over 60 acres so there should never be a reason that social distancing cannot be followed based on
 the horse counts allowed and ordered.
- In classes where participants compete collectively, determine and communicate to participants, the maximum number of horses permitted in each competition area at one time based on the size of the competition areas and social distancing requirements. We have very large competition rings that can easily accommodate 15 riders with plenty of room to spare. In the rare situation at this time of year where the number could be greater than 15, we will split the class. Announcers and ingate personnel will ensure that all participants will stand greater than 6 feet apart in the center line up. Ingates will also make sure that there is not grouping together upon exiting the ring. Ribbons will be hung individually on a hanger outside the ring area for pick up.
- Communicate with participants if classes will be divided and held in one or more sections.
 - Classes may be divided into separate classes with each class receiving separate awards.
 - Classes may be split into sections with the final section being comprised of the best entrants from each of the previous split sections with one set of awards given in the final section. This communication will be done in advance of the class by online notification or by ringside announcement.
- Consider utilizing technology for information transfer to mitigate the risk of virus spread by the manual transfer of paper (i.e. judge's cards, scoresheets, etc.).

• Create a method of giving ribbons and trophies that reduces or eliminates hand-to-hand contact. Ribbons will be hung individually on a hanger outside the ring area for pick up. We use gift certificates for distributing our awards. We have a dedicated tent with an entry door and exit door that displays and distributes selected prize awards.

Q. Stabling Considerations

- Restrict access to the stabling areas to veterinarians, athletes, officials, grooms, trainers and other
 essential personnel. All barn areas will be restricted to grooms, trainers and other essential personnel
 (Vets are included). Signage in English and Spanish are placed on every exterior aisle entrance. Stabling
 is limited at the and will be restricted to a maximum increments of 12 per group. Additional stalls (over 12
 or 24) will be provided if available on a first come first serve basis. Smaller groups will be placed in aisles
 of 12 stalls with spacing between to the best of our ability. Our barn aisles are 10 feet wide with sliding
 doors that allow for people to pass each other on opposite sides with social distancing room to spare.
- Remind all personnel in the stabling areas to comply with all best practices and guidelines in effect at the competition. All barn areas will be restricted to grooms, trainers and other essential personnel (Vets are included). Signage in English and Spanish are placed on every exterior aisle entrance. TRAINERS: The barn area assigned to your operation is your responsibility to operate and apply all best management practices. It is your responsibility to restrict your barn area to grooms and essential staff only. DO NOT ALLOW YOUR CLIENTS TO LOITER IN THE BARN AREAS. Trainers are asked to please bring all the same materials and operating protocols that you have implemented in your private barn operation since the COVID-19 pandemic started. ESP will not be providing materials in the barn areas that are essential to operate your private business. Random spot checks will be preformed by ESP management or stewards to remind and enforce any observed violations to COVID-19 protocols.
- Provide hand sanitization stations in the stabling area and encourage stable personnel to use frequently.
 ESP will not be providing hand sanitizer in the barn areas. The barns are in close proximity to sanitizer
 locations and bathrooms with antibacterial soap. ESP will be providing hand sanitizer and supplies in all of
 the common areas. The barn area assigned to your operation is your responsibility to operate and apply all
 best management practices.

Recommended Best Practices for Participants

Although not mandatory, participants are strongly encouraged to follow the Recommended Best Practices listed below at all times while present on the competition grounds.

R. Access & Monitoring Considerations

- Provide non-contact thermometers (e.g., temporal or infrared) to staff and require temperature
 monitoring throughout the day. It is extremely important that all Trainers, Owners, Riders and Support
 personnel establish a regular practice of taking your temperature before leaving your house. Not all
 people that have been infected with the virus have a fever, but for ANYONE who does have a fever
 should not come on the show grounds under any circumstances.
- Limit access to stabling area and competition grounds to essential personnel only; discourage multiple
 family members from accompanying owners and riders. All barn areas will be restricted to grooms,
 trainers and other essential personnel. Signage in English and Spanish are placed on every exterior aisle
 entrance. TRAINERS: The barn area assigned to your operation is your responsibility to operate and
 apply all best management practices. It is your responsibility to restrict your barn area to grooms and
 essential staff only. DO NOT ALLOW YOUR CLIENTS TO LOITER IN THE BARN AREAS.
- Consider having riders meet their horses at the competition or schooling areas or other pre-designated area to further limit contact in the stabling area. Trainers and your staff should give the most accurate times for when your client will show. ESP ingate personnel will be updating the SGL system to the best of their ability, however, keep in mind there are unforeseen situations that can cause delays. (Injuries, thrown shoes, thunderstorms, etc.) We ask that you have your clients remain in their cars until it is their turn to mount, warm up and **be ready to compete in the ring on time.** Please keep in mind that we will

be enforcing time limits on when you are expected in the ring. Be considerate to your fellow competitors showing after you that are monitoring their posted times.

- Consider the use of mounting blocks to avoid one-on-one contact between riders and grooms/ assistants. Mounting blocks are available at every schooling area.
- Provide adequate food and beverage supplies for your barn and your support staff for the duration of the competition to avoid unnecessary community exposure. TRAINERS: You are responsible for your staff. Please make sure you are using knowledgeable professionals that understand all COVID-19 protocols and risks. Please make sure they are taking all necessary precautions both at work and outside of work. Please do not supplement extra personnel into the horse show operation other than the staff you have employed and trusted at your personal operation. The barn area assigned to your operation is your responsibility to operate and apply all best management practices. Trainers are asked to please bring all the same materials and operating protocols that you have implemented in your private barn operation since the COVID-19 pandemic started. ESP will not be providing materials in the barn areas that are essential to operate your private business.

It is strongly recommended that if people are going to travel together in the same vehicle to a a competition, they should take their temperature prior to getting into the vehicle to ensure no one travels to the competition with an elevated temperature. This should include golf cart transportation.

RIDERS: Please rely on your trainers and their staff to give the best times for when you will show. ESP ingate personnel will be updating the SGL system to the best of their ability, however, keep in mind there are unforeseen situations that can cause delays. (Injuries, thrown shoes, thunderstorms, etc.) We ask that you remain in your cars until it is your turn to mount, warm up and **be ready to compete in the ring on time.** Please keep in mind that we will be enforcing time limits on when you are expected in the ring. Be considerate to your fellow competitors showing after you that are monitoring their posted times.

Riders, parents and owners should not be in the barn areas. If you are responsible for your own horse then you will be placed as an individual barn and separated accordingly.

Always comply with all best practices and guidelines in effect at the competition. All of the COVID-19 protocols that have been established and will be enforced are for EVERYONES wellbeing. We ask that all of you take them seriously and remain vigilant.

One important note about **thunderstorms**. **PLEASE plan on going to your cars in the event of any delay.** We cannot afford a situation where groups of people try to go to a single area violating the social distancing protocols. Your personal car should be your safe place at all times.

Social media posting - Please consider when posting anything on social media that is negative can be a reflection on our entire sport. ESP have done our best to address every area of our sport to make it as safe as possible to continue safely during this worldwide pandemic. Although the phrase "We are in this together" has become overused, we must depend on everyone in our sport to come together to do our individual part. ESP is committed to enforcing all restrictions to the best of our ability, but we cannot control everyone or everything that takes place on the grounds. Negative social media can cause unnecessary hardship to our entire industry that have already suffered severe economic effects. Please take an extra look at a photo to examine if something looks out of context. Please consider posting a date when posting a photo at a horse show prior to COVID-19 protocols that may be considered a violation of social distancing by today's standards. More importantly, if you witness anything that you feel is unsafe in this current environment, Any COVID-19 protocols that are not being followed, PLEASE BRING IT TO MANAGEMENT'S ATTENTION so that we can correct the problem as quickly as possible. We are all learning how to make things safer and it is ESP's continued pledge to make whatever changes we can to ensure everyone's safety and wellbeing.

S. Cleaning & Sanitizing Considerations

- Provide hand sanitizer, masks, and other PPE deemed necessary to your barn staff and other personnel and encourage them to use these items on a regular basis. ESP will continue to provide gloves at the ingates upon request until further notice.
- Do not mix equipment (tack, grooming supplies, lead shanks, etc.) and sanitize between each use.

- Regularly sanitize bikes/motorbikes/golf carts/car & truck door handles, stable doors, bucket handles, light switches, etc., and equipment including tack, grooming, feeding, stall cleaning materials, etc.
- Again, the barn area assigned to your operation is your responsibility to operate and apply all best
 management practices. Trainers are asked to please bring all the same materials and operating protocols
 that you have implemented in your private barn operation since the COVID-19 pandemic started. ESP will not
 be providing materials in the barn areas that are essential to operate your private business.

T. Scheduling Considerations

• Schedule competition days (ride times, schooling times, etc.) as efficiently as possible to minimize time spent on the competition grounds each day. ESP continues to provide access to online scheduling through the showgroundslive.com software. Courses are produced on the PBIEC.coth.com website under the competitors tab each evening before the scheduled classes. Please use these tools to minimize your time on the show grounds each day.
