## Reminder! Entries will not support:

IMPORTANT: Our board has instilled a new policy regarding recurring grants. If your organization received funding from the 2022 GCC main event, where you were paired with a team of riders/competitors, please note that you are not eligible to receive funding from the 2023 event. If this is your case, we look forward to you applying the 2024 edition. This does not apply to non-profits who received randomly drawn or assigned grants.
