USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

Important National Class Information:

Amateur Classes (AA) ○ Individuals possessing current amateur certification are only eligible as Adult Amateurs from the beginning of the calendar year in which they reach age 22.

- Only active United States Equestrian Federation members may obtain amateur status. (Exception: Equine Canada members in possession of current EC membership may sign for USEF Amateur status on a show by show basis at no cost).
- Participants must possess current USEF Amateur status and qualify under the USEF Amateur rules. ○ If opportunity classes at Dressage Competitions are restricted to amateurs, riders are required to have an amateur status with USEF.

The Junior/Young Rider Classes (JR/YR)

Riders are eligible to compete in these classes until the end of the calendar year in which they reach the age of 21

The Pony division

For this competition, classes are offered from USEF Training Level through USEF Third level with classes designated for the JR/YR, the Adult Amateur, and the Open riders. The pony division is open to all breeds that meet the following measurement requirements. In the Dressage Division, a pony is an animal that does not exceed 148 cm (14.23 hh) without shoes, and 149 cm (14.27 hh) with shoes. The pony can be of any sex (Mare, Stallion, or Gelding).

- Ponies under the age of eight and in possession of a valid temporary card from another division or discipline should submit a copy with their entry.
- Measurement will be required for these pony specific classes if they do not currently have a valid measurement card. Measurement will be yearly beginning from the age of three (36 months) until the pony has reached the age of eight years. Animals three through seven years old will be issued an annual Temporary Certificate of Measurement and must be re measured annually until the age of eight years. Animals eight years and older will be issued Standard Certificates of Measurement which will not need to be renewed. Measurement must be done on USEF Combined Driving and Dressage Pony Measurement form. Individual responsible for presenting the pony for measurement must be 18 years old. Animals submitted for measurement or re-measurement must show no evidence of lameness and must be jogged for soundness prior to the measurement. Animals showing evidence of lameness are not eligible for measurement or re measurement.
- The pony must be entered to compete at the competition for a measurement to take place.
- When the competition veterinarian is on call and an alternative measurement time is necessary, management must receive a written request for measurement from the owner or agent at least five days prior to the start of competition to set up a time.
- It will be the pony owner's responsibility for the fee charged (if any) by the veterinarian. This must be done prior to first ride.

Classes per Day

Horses are limited to a maximum of three Dressage rides per day at Fourth Level and below (including Rider Tests) or two Dressage rides per day above Fourth Level. Horses competing at both Fourth Level and Prix St. Georges, or their equivalents, are limited to two Dressage rides per day. Dressage Seat Equitation, Quadrille, Pas de Deux and Materiale classes are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition.

Consecutive Levels

Horses may enter no more than two consecutive levels, Freestyle levels included, at any one competition.

Arena Size

All classes will be conducted in a standard size arena (20 m x 60 m)

Current Rules: The rules may have changed from the current USEF Rule Book. It is the competitor's responsibility to check the current USEF Rule Book for any changes. Current rules can be found on www.usef.org.

Awards for National Classes: Ribbons and prize to sixth place for each class. Divisions (JR/YR, AA, Open) may be run concurrently as one class. Divisions will be pinned separately. Horse Health Requirements for Entry: It is recommended that all horses stabling on the AGDF grounds arrive between 8:00 am and 5:00 pm. If it is necessary to arrive at any other time, you must make arrangements with the show office prior to arrival.

Management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following some basic recommendations listed below. Please monitor our web site for any additional and possibly mandatory requirements.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhino pneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

This
competition

by USDF
for 2019

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional Dressage Championship program and the USDF Adult Amateur Equitation Regional program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, to compete at USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional qualifying and championship classes, and the USDF Adult Amateur Equitation Regional program, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Federation Entry Agreement Effective

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the Competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the Competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable-casts, broadcasts, Internet, film, new media or other likenesses of me and my horse taken during the course of the Competition for the promotion, coverage or benefit of the Competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

Federation Release, Assumption of Risk, Waiver, and Indemnification

This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that "the Federation" and "Competition" as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaultor, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death. ("Harm").

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results resulted, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR801 and if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf. I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.
